**AROUERIS GOD FORM**

**THEORICUS 2=9**

If you have forgotten how to create your god form, re-read the lesson in the 1=10 grade book of Zelator. These god forms are designed to put you in touch with various energies and to help you understand the energies that take place in the Temple, especially in the 0=0 Initiation.

In the higher grades of 5=6 and above, much advanced work is given to astral working in god forms and creating advanced god forms for various magical application.

Again, like the other god forms, you should color in Aroueris in the following description. Aroueris is created by the past Hierophant as it is called "Horus the Elder." It is Osiris in motion or the Hierophant when leaving the throne or Dais.
