Ker: "Anubis the Guardian said unto the Aspirant, 'Let us
 "Enter the presence of the LORDS OF TRUTH'; Arise and

Leads Zel: between the Pillars, turns to right and cir-
-cumambulates the Hall once. As they go round the first
time Hs: reads :-

Hs: "The Sphinx of Egypt spake and said: 'Im the Synthesis
 " 'of the Elemental Forces. I am also the symbol of
 " 'MAN. I am Life and I am Death. I am the Child of
 " 'the Night of Time.' ".

As Ker. & Zel. approach the East the Hiero steps down
from dais and ~~from between the Pillars~~ bars the Way,

with Banner of the West in left hand, and fan in right
leaving Sceptre on Throne.

Hiero: "The Priest with the Mask of Osiris spake and said "Thou

takes it in left hand as they pass him. Hiero returns to dais.

following the course of the Sun. As they go round a second time

Hs: "I am Osiris, the Soul in twin aspect, united to the higher
 % "by purification; perfected by suffering, glorified through
 "trial/. I have come where the great Gods are, through
 "the power of the Mighty NAME."

Heg bars the way to the South, Red Lamp in right hand, and
 Banner of the West in left.

Heg: "The Priest with the Mask of the Lion spake and said:)
 'Thou canst not pass by the Gate of the Southern Heaven,
 'unless thou canst tell me my name.'"

Ker: "MAU, the Lion, very powerful, Lord of FIRE, is thy name.
 "Thou art RA, the Sun in his strength."

Heg, leads Zel: round the Temple a third time, giving th
the Banner of the West to HS: as they pass. Hs: reads

Ker: falls back and signs , before Zel: with Salt.

Ker: "In the Sign of the Head of the OX, Child of the Elements,
"thou art purified: pass thou on."

Heg: and Ker: conduct Zel: to the Pillars.

Hiero: takes back Banners and places them on stands. Heg
retruns to place. Ker: turns up lights so as the- to make
the Temple as usual, then returns to his place after

replacing Fan, Lamp, Cup, and Salt on Altar. Hiero takes
Cubical Cross from Zel:

Hiero: "The Cubical Cross is a fitting emblem of the equilibrated
 "and balanced forces of the Elements. It is composed of
 "twenty two squares externally, thus referring to the χ
 "twenty two letters which are placed therein. Twenty two
 "are the Letters of the Eternal VOICE, in the Vault of
 "Heaven, in the depth of Earth, in the abyss of Water, in
 "the All-presence of Fire. Heaven cannot speak their ful-
 -ness: Earth cannot utter it: yet hath the Creator bound
 them in all things. He hath mingled them through Water:
 "He hath whirled them aloft in Fire: He hath sealed them
 "in the Air of Heaven, He hath distributed them through
 "the Planets, He hath assigned unto them the Twelve Constel-
 -lations of the Zodiac. (Puts Cross aside.)

"The 32nd Path of the Sepher Yetzirah, which answereth unto the letter  is called the Administrative Intelligence, and it is so called because it directeth and associateth in all their operations the Seven Planets, even all of them in their own due courses. To it therefore is attributed the due knowledge of the Seven Abodes of Assiah, the Material World, which are symbolised in the Apocalypse by the Seven Churches. It refers to the Universe as composed of the Four Elements, to the Kerubim, to the Qlippoth, and to the Astral Plane. It is the reflection of the Sphere of Saturn. It represents the connecting and binding link between the Material and Formative Worlds, Assiah and Yetzirah, and necessarily passes through the Astral Plane, the abode of the Elements, the Qlippoth, and the Shells of the Dead. It is the rending of the Veil of the Tabernacle whereon the Kerubim and the Palm Trees are depicted: it is the passing of the Gate of Eden. (Leads Zel. to West of Altar.)

"These ideas are symbolically resumed on the representation
 "of the '21st Key of the Tarot' before you. Within the oval
 "formed of the seventy two circles is a female form, nude save
 "for a scarf which floats around her. She is crowned with the
 "Lunar Crescent of Isis, and holds in her hand two wands. Her
 "legs form a cross. She is the Bride of the Apocalypse, the
 "Qabbalistical Queen of the Canticles, the Egyptian Isis of
 "Nature now shown partly^{un} veiled, the great Feminine Kerubic
 "Angel Sandalphon, on the left hand of the Mercy Seat of the
 "Ark. The Wands are the directing forces of the Positive
 "and negative currents. The Seven-pointed Star or Heptagram
 "alludes to the Seven Palaces of Assiah, the crossed legs to
 "the symbol of the Four Letters of the Name. The surmounting

"Crescent receives the influences alike of Gebulah and
 "Geburah. She is the Synthesis of the 32nd Path, uniting
 "Malkuth to Yesod. The oval of the 72 small circles is the
 "Schemahamphorasch, or the 72-fold Name of the Deity.
 "The twelve larger circles form the Zodiac. At the angles
 "are the Four Kerubim, which are the vivified powers of the
 "NAMES  operating in the Elements through which you
 "have just symbolically passed in the preceding ceremony.
 "The Fan, Lamp, Cup, and Salt represent the Four Elements
 "themselves, whose inhabitants are the Sylphs, Salamanders,
 "Undines, and Gnomes. Be thou therefore prompt and active
 "as the sylphs, but avoid frivolity and caprice: be energetic
 "and strong like the Salamanders, but avoid irritability
 "and ferocity: be flexible and attentive to images like the
 "Undines, but avoid idleness and changeability: be laborious
 "and patient like the Gnomes, but avoid grossness and
 "avarice. So shalt thou gradually develop the powers of

"the Soul, and fit thyself to command the Spirits of the
"Elements.

"The Altar, as in the preceding degrees, represents the
"Material Universe, and on its right is the Garden of Eden,
"symbolised by the Tablet of the Hegemon, and on the left
"is Gehenna, the abode of the Shells, symbolised by the
"Tablet of the Kerux, which these Officers will now explain

Hiero: returns to his place, and Heg. leads Zel. to his Tablet.

Heg: "The drawing before you shows ⁱⁿ part the Occult Symbolism of
"the Garden of Eden, and the Holy City of the Apocalypse.
"The Outer Circle is the enclosing Paradiasaical wall, guard
"-ed by the Kerubim and the Flame: and the Seven Squares
"are the Seven Mansions thereof, of the Seven Spheres
"wherein Tetragramaton Elohim planted every tree which is
"pleasant and good for food, symbolised by the Palm Tree
"wrought upon the Veil of the Tabernacle, and the door of
"the Holy of Holies in the Temple. But in the midst is

"the Tree of Life, the Throne of God and the Lamb. Twelve
 "are the Foundations, and twelve are the Gates, shown by the
 "twelve entrances in the drawing. The Four streams rising
 "from one central source are the Rivers of Eden, referring to
 "the Four Elements proceeding from the Omnipresent Spirit.

Ker: leads Zel: to his Tablet.

Ker: "The drawing before you represents the Seven Infernal Mansions
 "and the Four Seas. The first circle represents the Waters
 "of Tears, the Second the Waters of Creation, the Third the
 "Waters of Ocean, and the Fourth the False Sea.
 "In the inner circles are, on the right hand the Seven Earths
 "which are:-

- | | | |
|-----------------------|------------|-----------|
| (1) ARETZ | (2) ADAMAH | (3) GIA |
| (4) NESCHIAH | (5) TZIAH | (6) REEQA |
| (7) THEBEL or CHELET. | | |

"On the left hand are the Seven Infernal Mansions, which are

- | | | |
|-------------------|----------------|--------------|
| (1) SHEOL | (2) ABADDON | (3) TITANION |
| (4) BAR SCHACHLTH | (5) TZELEMOTH | |
| (6) SHLARI MOTH | (7) GEHINNCM." | |

Hierc: "I have much pleasure in conferring on you the title of
 "Lord (Lady) of the 32nd Path.

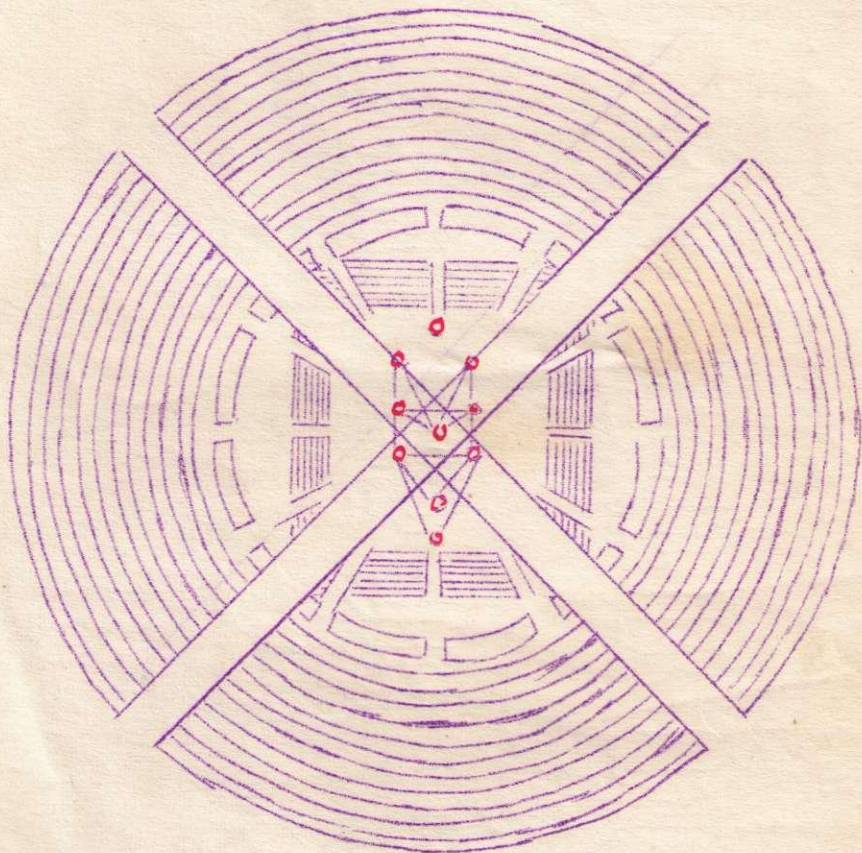

"You will now quit the Temple for a short time, and on your

"return the Ceremony of your reception into the 2 - 9

"Grade of Theoricus will be proceeded with."

THE HOLY CITY OF THE
APOCALYPSE

The Garden of Eden

CEREMONY OF 2 - 9 OF THEORICUS.

Temple arranged as in Diagram.

Hiero. "Frater Kerux, you have my commands to instruct the Zelator
 "in the proper alarm, and to present him with the necessary
 "admission badge. Hon. Hegemon, guard the Portal and admit
 "them on giving the proper alarm. !!! !!! !!!

Ker. presents Zel: with diagram of Caduceus of Hermes and instructs
him in the alarm.

Heg: opens the door and admits them.

Hiero: "Frater (Soror) Pereclinus (Perecline) de Paustis, as in
 "the 1 - 10 Grade there were given symbolical representations
 "of the Tree of the Knowledge of Good and Evil, of the Gate
 "of Eden, and of the Holy Place, so in the 2 - 9 of Theoricus
 "the Sanctum Sanctorum with the Ark and the Cherubim is shown
 "as well as the Garden of Eden with which it coincides, while

"In the 32nd Path leading hereunto, through which you have just symbolically passed; the Kerubic Guardians are represented and the Palm Tree or Tree of Progression in the Garden of Eden.
 "Hon.Hegemon, conduct the Zelator to the West, and place him
 "thus before the Portal of the 32nd Path by which he has
 "symbolically entered."

(Done: Zel: faced to West; Ker: returns to place.)

Hs: "By what symbol dost thou enter herein?"

Heg: "By the peculiar emblem of the Kerux, which is the Caduceus
 "of Hermes. (Zel: gives it to Hs:)

Hs: "The Tree of Life and the Three Mother Letters are the Keys
 "wherewith ~~to~~ to unlock the meaning of the Caduceus of Hermes.
 "The upper point of the Wand rests on Kether, and the Wings
 "stretch out unto Chokmah and Binah, the three Supernal
 "Sephiroth. The lower Seven are embraced by the Serpents

"whose heads fall upon Chesed and Geburah. They are the
"Twin Serpents of Egypt, the currents of Astral Light.
"Furthermore, the wings and top of the Wand form the Letter
"Shin , the symbol of Fire: the heads and upper parts
"of the Serpents form Aleph , the symbol of Air, while
"their tails enclose Mem , the symbol of Water: the
"Fire of Life above, the Waters of Creation below, and the
"Air symbol vibrating between them.

Hiero: leaves his Throne and comes to West of Altar.

Heg: conducts Zel: to him and returns to his place in South.

Hiero: "The symbols before you represent alike the Garden of Eden
"and the Holy of Holies. Before you stands the Tree of Life
"formed of the Sephiroth and their connecting Paths. Into
"its complete symbolism it is impossible here to enter for
"it is the Key of all things when rightly understood. Upon
"each Sephira are written in Hebrew letters its names, the
"DIVINE NAMES, and those of Angels and Archangels attributed

"thereto. The connecting paths are twenty two in number,
 "and are distinguished by the twenty two letters of the
 "Hebrew Alphabet, making with the ten Sephiroth themselves
 "the 32 Paths of Wisdom of the Sepher Yetzirah. The course
 "of the Hebrew Letters as placed on the Paths forms, as you
 "see the symbol of the Serpent of Wisdom: while the natural
 "succession of the Sephiroth forms the Flaming Sword and the
 "course of the Lightning Flash as shown in the drawing
 "below. The Cross within the Triangle, apex downwards, 
 "placed upon the Altar at the base of the Tree of Life, re-
 "fers to the Four Rivers of Paradise, while the angles of
 "the Triangle refer to the three Sephiroth Netzach, Hod, and
 "Yesod. The two Pillars right and left of the Tree, are
 "the symbols of Active and Passive, Male and Female, Adam
 "and Eve: they also allude to the Pillar of Fire and of
 "Cloud which guided the Israelites in the Wilderness: and
 "the hot and moist natures are further marked by the Ued.

"Lamp and the ~~SC~~ Cup of Water. The Pillars further represent
 "the Two Kerubim of the Ark; the right Metatron, Male, and
 "the left Sandalphon, Female. Above them ever burn the
 "lamps of their Spiritual Essence, the Higher Life of which
 "they are partakers in the Eternal Uncreated ONE.

(Gives 2 - 9 Sign.)

"GLORY BE UNTO THEE, LORD OF THE LAND OF LIFE, FOR THY
 "PLENDOUR FILLETH THE UNIVERSE.

"The 2-9 of Theoricus is referred to Yesod, as the 1-10 is
 "referred to Malkuth. The Path between them is assigned to
 "the Letter  whose Portal you now see in the West, and
 "through which you have just symbolically passed. To this
 "Grade as to those preceding it certain secret Signs and
 "Tokens are attributed. They consist of a Sign, Grip or
 "Token, Grandword, Mystic Number, and Pass-word formed there-
 "from. The Sign is given thus :-

"Stand with the feet together, and stretch both h...ds

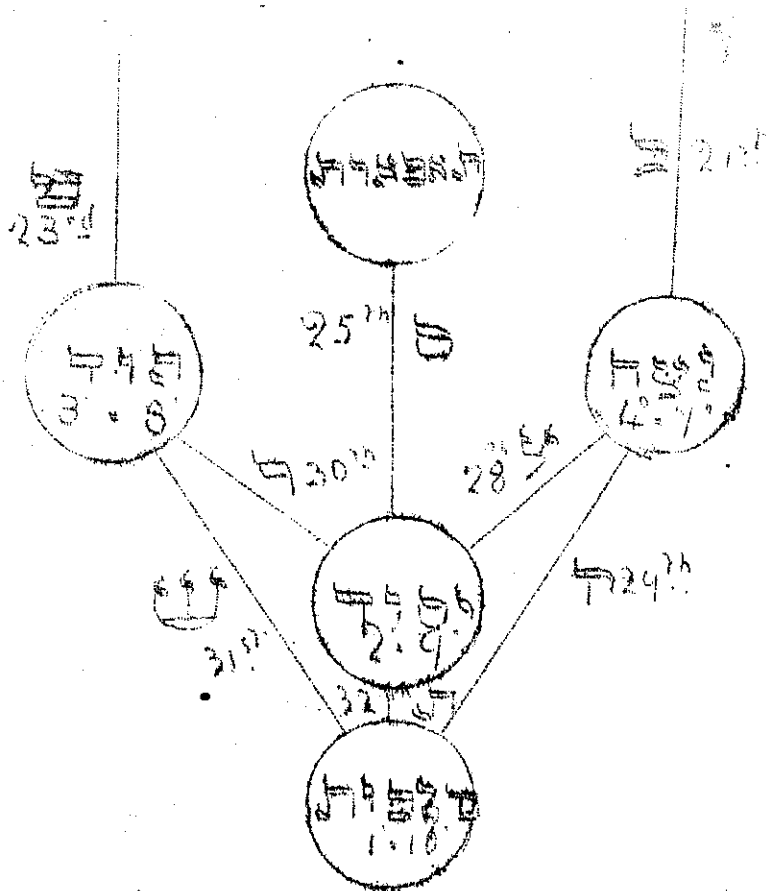

"outward and upward, the e...ws bent at right angles the
 "h...ds bent back, p...s upward, as if supporting a weight.
 "It represents you in the Path of Yesod, supporting the
 "Pillars of Mercy and Severity. It is the classical Atlas
 "supporting the Universe on his shoulders whom Hercules had
 "to emulate. It is the Isis of Nature supporting the Heavens.
 "The Grip is that of the first Order which you received in
 "the preceding Grade. The Grandword is a Name of Seven
 "letters, SHAIPI EL CHAI. ~~SHAIPI EL CHAI~~ which means
 "the Almighty and Ever-living ONE. The Mystic Number is 46
 "and from it is formed the Pass-word, which is ^{HC} ^{NEM} ~~SHAIPI EL CHAI~~, the
 "Secret Name of the World of Formation. It should be letter-
 "-ed separately when given.

"Unto this Grade and unto the Sephira Yesod, the Ninth Path

"of the Spher Yetzirah is referred. It is called the Pure
 "or Clear Intelligence; and it is so called because it puri-
 "-fieth and maketh clear the Sephiroth, proveth and amendeth
 "the forming of their representation, and disposeth their
 "Unities or Harmonies wherein they combine without Mutila-
 "-tion or division. The distinguishing Badge of this Grade
 "which you will now be entitled to wear is the sash of a
 "Zelator, with the addition of a purple cross above the
 "Triangle and the number '2' in a circle and '9' in a square,
 "left and right of it, and beneath the triangle the number
 "32 between two narrow parallel purple lines.
 "The meaning of the Tablet of Earth was explained to you
 "in the preceding Grade.

Hierc: proceeds to EAST. Heg: guides ZEL. thither.

Hierc. "The Three portals facing you are the Gates of the Paths
 "leading from this Grade. That on the right connects it
 "with the 4-7 : that on the left with the 3-8 :

Lower Part of Tree of Life
Showing Portals.

"while the central one leads onward to the Portal.

"This Grade is especially referred to the Element of Air
 "and therefore the Great Watch Tower, or Terrestrial Tablet
 "of the East forms one of its principal emblems. It is
 "known as the First or Great Eastern Quadrangle or Tablet
 "of Air, and it is one of the Four Great Tablets delivered
 "unto Enoch by the Great Angel AVE. From it we draw the
 "Three Great Holy Secret Names of GOD - 'QRO IBAN ACZPI'-
 "which are borne upon the Banners of the East, and the
 "numberless divine and angelic Names which appertain unto
 "the Element of AIR.

"To the Moon also is this Grade related. Its Kamea or
 "Mystical Square is formed of 81 Squares containing the

Left

"numbers from one to eighty one arranged so as to form the same
 "sum each way. Its ruling numbers are nine, eighty one, three
 "hundred and sixty nine, and three thousand three hundred and
 "twenty one.

Left
 Dais.

"This Tabley (indicating it) shows the Mystical Seals and
 "Names drawn from the Kamca of the Moon. The Seals are formed
 "from lines drawn to certain numbers in the square. The Name
 "answering to nine is  Hod, meaning Glory. The Name
 "answering to 81 is  Elohim the plural of the
 "Divine Name  El.

"That answering to 339 is  Chasmodai, the Spirit
 "of the Moon. The other Names are those of the Ruling Intelli-
 "gences and Spirits of the Moon.

Right
 Dais

"On this Tablet (indicating it) are known the meanings of
 "the Lunar Symbol when inscribed upon the Tree of Life.
 "Thus its crescent in increase represents the side of Mercy,
 "in its decrease the side of severity, while at its full it
 "reflects the Sun of Tiphereth.

Hiero resumes Throne; Heg: conducts Zel: to Hs:

Hs: ^(out of Earth) "The Tablet before you shows the duplicated form of the
 "Alchemic Sephiroth. In the first the Metallic Root is in
 "Kether, Lead in Chokmah, Tin in Binah, Silver in Chesed,
 "Gold in Geburah, Iron in Tipherath, Netzach and Hod are the
 "places of the Hermaphroditical Brass, Yesod is Mercury,
 "and Malkuth the Medicine of Metals.
 "In the second, the Mercury Sulphur and salt are referred to
 "the three highest Sephiroth, and the metals to the seven
 "lower, but in a rather different order. For in all things,
 "as Supernal so Terrestrial is the Tree of Life to be found,
 "whether it be in Animal, in Vegetable, or in Mineral Natures.

Heg: leads ZFL. to his own Tablet in the South.

Heg: "This Tablet shows you the Geometrical Lineal Figures attri-
 "-buted to the Planets. They are thus referred : the No.3

"and the Triangle to the Planet Saturn: the No.4 and the
 "Square to Jupiter: the No.5 and the Pentagon to Mars: the
 "No.6 and the Hexagram to Sol: the No.7 and the Heptagram to
 "Venus: the No.8 and the Octagram to Mercury: The No.9 and the
 "Enneagram to Luna. Of these the Heptagram and the Octagram can
 "be traced in ^{two} ~~two~~ Modes, and the Enneagram in three, the first
 "in each instance being the most consonant with the nature
 "of the Planet.

Heg: resumes his seat.

Ker: comes forward and conducts Zel: to his Tablet in North.

Ker: "Before you are represented the Sixteen Figures of Geomancy
 "which are formed from all the combinations of single and double
 "points in four lines which can possibly occur. Two are attri-
 "buted to each of the Seven Planets, and the remaining two

"Whose Breath giveth forth and withdraweth the form of all
 "things: THOU before Whom the life of Beings is but a

"shadow which changeth and a vapour which passeth:

"THOU Who mountest upon the Wings of the Wind:

"THOU Who breathest forth Thy breath, and endless Space is

"THOU Who drawest in Thy Breath, and all that cometh from
"Thee returneth to Thee:

"Ceaseless movement in Eternal Stability, be THOU eternally
"blessed.

"and the Warmth of Thy Love penetrate even unto us: then

"that which is volatile shall be fixed: the Shadow shall be

"a body, the Spirit of ~~the~~ Air shall be a Soul, the Dream shall

"be a Thought: and no longer shall we be swept away by the

"Tempest, but we shall hold the bridles of the Winged storm.

"of Dawn, and we shall ~~fly~~ direct the course of the
 "Evening Breeze to fly before Thee.

" O SPIRIT OF SPIRITS !
 O ETERNAL SOUL OF SOULS !
 O IMPERISHABLE BREATH OF LIFE !
