### Preface

The present work is a compilation of occult knowledge acquired from diverse sources of the Ilmu Al-Hikmah, or the Islamic occult tradition here in Indonesia. A majority of these teachings represent the legacy left to us by the spiritual Islamic adepts of the Middle East. Elements of Indonesian Shamanism and Kejawen may also be found in the occult knowledge presented in this ebook and others of these series. The latter tradition is one of the other major occult streams to be found in the island of Java.

Most of the occult teachings of the exercises, rituals, rites, spells, etc., to be found in these series of ebooks have been gathered from the numerous metaphysical Islamic lodges here in Indonesia. Not all of these are spiritually oriented, some are decidedly "black" in nature. We trust that the readers of these ebooks are spiritually mature and will not use or apply these teachings for any negative purposes. We present them basically for educational purposes and as literary curios. We hold no responsibility for their misuse or abuse.

This paper is especially directed to the seasoned-practitioner of magick, as the various keys to making them work will not be explained herein. The keys may be discovered through personal search, study, contemplation and experimentation. It is said that by simply possessing the keys any system of magick may be successfully applied. The compiler believes that the practitioner of these teachings would have a good percentage of success in their application with the appropriate knowledge at hand.

The occult practitioner with years of experience to his credit will find this and other compilations of this series to be extremely valuable. The fact that the prayers and mantras are in Arabic should not deter the magician from practicing them. Sincerity and seriousness in the work would open up doors of literal and spiritual understanding. One does not have to be a Muslim to work Islamic magick--it is initially sufficient to live the spiritual precepts and truths as to be found in all religions. We can devote ourselves to the Deity using any language as media--fundamentalism and fanaticism should not be part of any occult student's attempt to reach out to the Divine Omneity. Understanding Arabic and the meaning of the prayers, though, would be beneficial. The reader ought to keep in mind that the pure concentrated intent of the magician is a powerful factor in making these rites work.

### General Instructions

Perform all occult exercises and disciplines in a clean, quiet room or in a retreat especially consecrated for occult/metaphysical work. There should be enough ventilation in the room. All work should be done on the floor or ground, on a suitable carpet chosen for the purpose.

Practice deep breathing for 7-7-7 counts--inhale 7 counts, hold for 7 counts, and then exhale for another 7 counts. While holding the breath imagine energy accumulating in the psychic center below the navel. The exact location is about three-finger breadth beneath the navel. Generally, the occult exercises and rites should be preceded by this breathing practice. One of the keys to occult development and a successful performance of a rite is the amount of psychic energy we accumulate and channel. Breathing exercises are just one of the many systems of psychic energy accumulation.

Before performing any occult rite, a spiritual cleansing or holy wash is necessary to rid oneself of psychic toxins and dross matter. There are many occult rites designed for this purpose, but the simplest technique is just to visualize a flood of brilliant white light pouring over you while you shower. Imagine all of the psychic dirt from your physical and etheric body as being washed down the drain. Recite a simple personal prayer while showering. In the Name of the Almighty, and your true Self, request the angelic intelligences to transform yourself to an immaculate state.

Fasting is generally required during, and several days prior to the conducting of the exercises or rites. Fast from dawn to dusk, consuming no meat and eating nothing with any taste--for instance, just plain rice or bread. This fasting method is called "mutih" by Javanese occultists. You may break your fast at dusk and may eat several meals outside of the designated fasting period. This

fasting is quite strenuous but essential to conditioning the physical-etheric body towards interaction with higher forces and as a fit receptacle for the generated or invoked forces to dwell.

Believe and have faith in the efficacy of the occult work and exercises, for the right mental and spiritual attitude open psychic portals to the infinite realms. Have faith in your Creator most of all. Conduct prayers often and have a strong focus upon the exercises and rites. Do not be distracted by frivolous matters. The spiritual life aids in attunements with cosmic forces. Physical and etheric purity only gives one access to the astral/etheric realms. Mental and emotional purity transforms us into a vessel of light fit to receive the Holy Spirit. Obey the precepts of the Spirit and the Cosmic laws as these will pave the way for the quantum leap to the next level of evolution.

Meditate often so as to acquire the skill needed to slip into an altered state of consciousness. In the name of your true Self, request the angelic forces through decrees, prayers and invocations, to open-up the spiritual centers in your etheric body.

Method :

Recite the following Divine Name 10,000 x in the day and 10,000 x in the night.

Do not eat meat or animal products during this ritual-discipline. This operation is to be done every day for two years. There would come a time, after faithfully carrying-out of this discipline that a group of angels would appear. One of these angels would bear a magickal seat. He will ask you, "What do you want, servant of the Great Holy Name?" Reply, "I desire to be given the secret stone that when possessed might manifest one's desires in abundance." Ithyaail will then convey to you the requirements and prohibitions related to the stone. He will then hand over to you the magickal carbuncle called "Merah Delima." Keep this stone in your pocket. Henceforth, should you desire something, it would instantly manifest before you. This stone when immersed into water, turns the fluid to a reddish hue.

### **How to Create "Uang Balik"--an Enchanted Bill that Returns as you Spend it**

"Uang Balik," is a phrase commonly used in Indonesian occult circles to refer to a monetary bill that returns magickally by itself to its point of origin or owner after spending it. It literally means "money-return." How it returns is explained simply through occultism : the enchanted bill has a khodam, a spirit entity attached to it that teleports the bill back to its master. Quite a few occultists doubt the existence of the Uang Balik or the possibility of familiar spirits performing this teleporting feat; nevertheless, one method of magickally enchanting bills with a familiar spirit that does not involve complex conjurations have been passed on to us--the method is revealed below. We have inquired the adept who gave us this formulae of the ethics involved in this. He says that this particular khodam of the verse below not only teleports the bill back to its master, but it duplicates a bill just like the one that it is attached to, to take its place, so no one loses anything. The truth of this is left for us to discover, but the rite of empowerment in itself is not an easy thing to do and requires hours and days of recitations.

Method :

First acquire a bill of a large denomination--\$100 perhaps. Its serial number should have two twin figures in it. For instance, 3487**5500**63 or 67**2299**4683. Once you have acquired the appropriate bill do the rite below.

Fast from dawn to dusk. No meat or animal products are to be consumed. Conduct an ablution or a holy wash. The following rite is to be done at midnight in a quiet, clean room--preferably in a retreat. Burn some incense. If you are a muslim do 2 rakaats of tobat prayer and 4 rakaats of hajad prayer. If you are a non-muslim just pray in your own words for God's blessings.

Next inhale and exhale deeply and slowly about 4 x to calm yourself; then recite the Throne verse 3000x. Before hand prepare a bottle of non-alcoholic perfume such as Jasmine. Anoint your hands, face, and chest with the oil. Have the bill at hand. Also have before you a white plate filled with water about a tablespoon full. Now recite the Throne verse for 3000x. After every 100 counts, inhale deeply while extending your right index finger. Touch the water on the plate with your finger and then dab the bill with it, moistening it with your fingertip. Do this after every hundred counts of the Throne Verse prayer.

The ritual above should be repeated every night for a week. The best day to commence the ritual is on a Sunday or a Thursday night. After completing the 7-day ritual, you would have made a "Uang Balik" bill that returns by itself after being spent.

"ALLAHU LAA ILAAHA ILLAA HUWAL HAYYUL QAYYUUMU, LAA TA 'KHUZHU SINATUW WALAA NAUUM, LAHUU MAA FISSAMAAWAATI WA MAA FIL ARDHI MAN DZALLADZII YASYFA'U 'INDAHUILLAA BI IDZNIHII YA'LAMU'MAA BAINA AIDIHIM WAMAA KHALFAHUM. ## **The Manuscript of the Divine Light Regarding Magickal Pills**

In this manuscript a method is given on how to manufacture talismanic pills for various purposes.

Method :

### **The Empowerment Rite**

The following ritual has to be done in a quiet, clean room. Conduct an ablution/holy wash. Then in your ritual room, calm your mind and be focused on what you are doing. Breathe deeply for 7 cycles while holding a fountain pen/quill. Then recite the verses below :

"Astaghfirullaahal azhiim." 3x

"Asyhadu anlaailaaha illallooh wa asyhadu anna Muhammadarrosuulullooh." 3x

"Alloohumma Sholli 'alaa Sayyidinaa Muhammad." 3x

"Ya Allah Ya Rasulallah, we request your blessings and your help to awaken our inner magickal power within our body to transfer the force to the Divine Light pills that we fashion." 3x

Have a glass of water at hand. Recite the Al-Fatehah verse below 7x, then blow upon the water visualizing energy flowing with the breath in the form of a brilliant white light and as permeating the water.

#### The Al-Fatehah Verse

"Bismillaahir-rohmaanir-rohiim.  
"Al-hamdulillahi rabbil 'aalamiin, ar-rahmaani ar-rahiim  
"Maaliki yaumid diin, Iyyaka na'budu wa iyyaaka nasta 'iin.  
"Ihdinash Shiraathal Mustaqiim.  
"Shiraathal Ladziina an'amta alaihim.  
"Ghairil Maghduubi Alaihim Walaadh Dhaaliin.  
"Amin." 7x

Then continue reciting the following :

"Bismillaahir-rohmaanir-rohiim.  
"Al-hamdulillahi rabbil 'aalamiin, ar-rahmaani ar-rahiim  
"Maaliki yaumid diin, Iyyaka na'budu wa iyyaaka nasta 'iin.  
"Ihdinash Shiraathal Mustaqiim.  
"Shiraathal Ladziina an'amta alaihim.  
"Ghairil Maghduubi Alaihim Walaadh Dhaaliin.  
"Amin." 1x

"Bismillahirrohmanirrohim.  
"Bismillahi innaka nursalim, nurjakum, nurillahi sayyadina muhammadin laillah wa alaikum wa alaikum salam yaa sayyadina lankur, farkum syehk Abdul Qodir Jaelani, Hasan Jainudin, Ahmad Tholib, Rojak bin Lahtif. Laa illah ha ilallah muhammaddur rosulluloh." 41x

"Bismillahirrohmanirrohim.  
"Yaa Muhammad" 10x  
"Yaa Rasulluloh." 10x  
"Yaa Majid." 10x  
"Yaa Allah." 30x

Then dip it into the consecrated water, and drain it down your throat with the fluid. Repeat the inscription, the consecration, and the consumption of the pills for six more times. Minimum 7 pills a day. This is to be repeated for 3 days.

While inscribing, hold your breath and place the tip of your tongue to the upper palate.
