Preface

The present work is a compilation of occult knowledge acquired from diverse sources of the Ilmu Al-Hikmah, or the Islamic occult tradition here in Indonesia. The majority of these teachings represent the legacy left to us by the spiritual Islamic adepts of the Middle East. Elements of Indonesian Shamanism and Kejawen may also be found in the occult knowledge presented in this ebook and others of these series. The latter tradition is one of the other major occult streams to be found in the island of Java.

Most of the occult teachings of the exercises, rituals, rites, spells, etc., to be found in these series of ebooks have been gathered from the numerous metaphysical Islamic lodges here in Indonesia. Not all of these are spiritually oriented, some are decidedly "black" in nature. We trust that the readers of these ebooks are spiritually mature and will not use or apply these teachings for any negative purposes. We present them basically for educational purposes and as literary curios. We hold no

responsibility for their misuse or abuse.

This paper is especially directed to the seasoned-practitioner of magick, as the various keys to making them work will not be explained herein. The keys may be discovered through personal search, study, contemplation and experimentation. It is said that by simply possessing the keys any system of magick may be successfully applied. The compiler believes that the practitioner of these teachings would have a good percentage of success in their application with the appropriate knowledge at hand.

The occult practitioner with years of experience to his credit will find this and other compilations of this series to be extremely valuable. The fact that the prayers and mantras are in Arabic should not deter the magician from practicing them. Sincerity and seriousness in the work would open up doors of literal and spiritual understanding. One does not have to be a Muslim to work Islamic magick--it is initially sufficient to live the spiritual precepts and truths as to be found in all religions. We can devote ourselves to the Deity using any language as media--fundamentalism and fanaticism should not be part of any occult student's attempt to reach out to the Divine Omneity. Understanding Arabic and the meaning of the prayers, though, would be beneficial. The reader ought to keep in mind that the pure concentrated intent of the magician is a powerful factor in making these rites work.

General Instructions

Perform all occult exercises and disciplines in a clean, quiet room or in a retreat especially consecrated for occult/metaphysical work. There should be enough ventilation in the room. All work should be done on the floor or ground, on a suitable carpet chosen for the purpose.

Practice deep breathing for 7-7-7 counts--inhale 7 counts, hold for 7 counts, and then exhale for another 7 counts. While holding the breath imagine energy accumulating in the psychic center below the navel. The exact location is about three-finger breadth beneath the navel. Generally, the occult exercises and rites should be preceded by this breathing practice. One of the keys to occult development and a successful performance of a rite is the amount of psychic energy we accumulate and channel. Breathing exercises are just one of the many systems of psychic energy accumulation.

Before performing any occult rite, a spiritual cleansing or holy wash is necessary to rid oneself of psychic toxins and dross matter. There are many occult rites designed for this purpose, but the simplest technique is just to visualize a flood of brilliant white light pouring over you while you shower. Imagine all of the psychic dirt from your physical and etheric body as being washed down the drain. Recite a simple personal prayer while showering. In the Name of the Almighty, and your true Self, request the angelic intelligences to transform yourself to an immaculate state.

Fasting is generally required during, and several days prior to the conducting of the exercises or rites. Fast from dawn to dusk, consuming no meat and eating nothing with any taste--for instance, just plain rice or bread. This fasting method is called "mutih" by Javanese occultists. You may

break your fast at dusk and may eat several meals outside of the designated fasting period. This fasting is quite strenuous but essential to conditioning the physical-etheric body towards interaction with higher forces and as a fit receptacle for the generated or invoked forces to dwell.

Believe and have faith in the efficacy of the occult work and exercises, for the right mental and spiritual attitude open psychic portals to the infinite realms. Have faith in your Creator most of all. Conduct prayers often and have a strong focus upon the exercises and rites. Do not be distracted by frivolous matters. The spiritual life aids in attunements with cosmic forces. Physical and etheric purity only gives one access to the astral/etheric realms. Mental and emotional purity transforms us into a vessel of light fit to receive the Holy Spirit. Obey the precepts of the Spirit and the Cosmic laws as these will pave the way for the quantum leap to the next level of evolution.

Meditate often so as to acquire the skill needed to slip into an altered state of consciousness. In the name of your true Self, request the angelic forces through decrees, prayers and invocations, to open-up the spiritual centers in your etheric body.

Aladdin's Magick Ring

According to the "Arabian Nights," Aladdin not only had a genie-lamp, he also had a ring that could conjure the spirit-being associated with it. Below we present an occult method whereby a magickal practitioner may acquire a ring such as Aladdin's. The genie of the ring that one acquires in this rite is the khodam of the Divine Name, "Allah."

For this rite you have to remain indoors, preferably in your room for 30 days. Your room and place of practice ought to be hidden from the haunts of men--a faraway retreat would be appropriate. It should be clean and quiet. During the retreat only vegetarian foods are permissible--fasting from dawn to dusk is recommended. During your stay in the retreat you may have a caretaker in the morning to look after your food; if no indoor toilet facilities are available, you may go outdoors for awhile.

During the hours of the magickal operation, which consists of recitations, you have to wear clean clothings. Prior to the recitation you will have to undergo an ablution--a purifying wash.

Now every night for 30 days while in your room, with incense burning, you will have to recite "Allah," for 7,000x. After completing the chanting, conclude with the following prayer which should be recited for 100x :

"Allaahumma innii as aluka bihaail hidaayati wabidaalid daimuumiyyati wabialifil wahdaaniyyati antaskharalii damrayaaiilal malakar ruuhaaniyya as aluka ayyuhal malakur ruuhaaniyyu wa aqsamu 'alaika bihaail ihaathati wabilmalaaikatil ladziina yaduuruuna haulal baitil ma'muuri wahum waahimuuna wadzik ruhum min haitsut tajallii huwa huwa wamin haitsut taraqqii haa haa wabinnahrid daairi dauraanal haai wabi'azhamati mukawwiril 'aalimal 'ulwiyyi wassufliyyi minal 'arsyi ilalfarsyi mitslul kurati wamaa fiihimaa wamaa bainahumma

qadiltaqamahumal malaku fii fiihi wahuwa muntazhirun liamril malikil haadii wabil ismil maktuubi 'alaa jabhatihii wabilhuruufil marqumati hunaaka wabilbuhuuril 'adzbati walmilhatil latii tajrii illaa maa ajabtani ayyuhar ruuhaaniyyu wamaa amrunaa illaa maa ajabtani ayyuhar ruuhaaniyyu wamaa amrunaa illaa waahidatun kalamhin bilbashari au huwa aqrabu innallaaha 'alaa kulli syai-in qadiir if'aluu maa tu'maruun." 100x

On the 30th night, at midnight, a khodamic-spirit of the Divine Name would appear. Do not be afraid. After greeting him ask for the silver ring that he wears on his finger. The Divine Name, "Allah," (in Arabic script) is inscribed upon this ring.

The khodam will give this ring to you but with certain conditions that you will have to fulfill. After agreeing to his conditions, place the ring on one of the fingers of your right hand. Now whenever you need the khodam's help, just play about with the ring on your finger--turn the ring left and right, or hold it still and move your finger. By doing this, the khodam of Allah would surely appear to serve you. You may request the genie for all sorts of things such as bringing you food, drink, gold, get rid of an uninvited guest, etc. If God so wills it, the khodam would be able to fulfill your requests.

Genie-Conjuration Empowerment

If you have tried to conjure and evoke genies in the past without any success, then you should first empower yourself with this rite. If you are successful with this rite you would be magickally empowered and surely have more success conjuring genies and spirits without too much effort.

Method :

Fast from dawn to dusk for 9 days. During non-fasting hours, do not eat any meat or animal products. The fasting should begin on the first Sunday of the Hijriyyah (Islamic calendar) month. During the 9-days, recite the prayer verse below for 900x after every obligatory prayer :

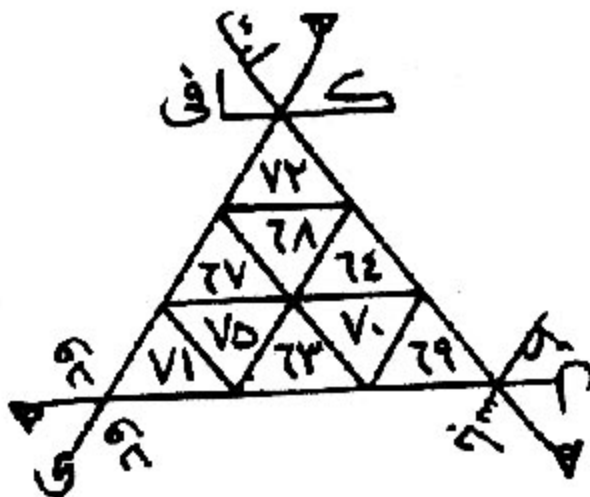

"Wakadzaalika nurii ibraahiima malakuutas samaawaati wal ardhi waliyakuuna minalmuuqiniin." 900x

The operation above should take place in a quiet, clean retreat. If this rite is done seriously and with all sincerity, on the last night you may find a reddish-orange mark about the size of a coin on your hand. This mark may or may not appear--but the result is the same--you will have been empowered to easily conjure and evoke spirits and genies.

On the seventh night Al Burduqal would appear in the form of a dog. He will greet you--return the greeting cordially. Then request of him the power to open-up locks and to break chains. He will fulfill your request but with certain conditions which you yourself would have to fulfill; you may agree so long as they do not violate moral and spiritual principles. The khodam would then teach you the occult methods for opening up locks or breaking chains. After receiving the knowledge and transmission of power, to open-up locks or break chains all you have to do is to place your hand on them and they would open or fall apart.

How to Shield Oneself Against Wild Animals

A variation of the mantra below for protection against wild animals, appears in a previous knowledgepaper . Below is another method of application of the same mantra for similiar purposes.

To acquire the power of protection against wild animals, chant the following verse 50x every day. The power which functions automatically, also silences those that would cause harm. If the verse were to be chanted over a handful of sand/soil and then thrown in the direction of a mob or a gang of aggressors, they would flee in confusion.

The verse :

"Washmum wabkum tsumma a'mi aduwwana wakhrus-hum yaa dzal jalaali bihausamat." 50x

How to Conjure a Genie with the Nur Buat Prayer

If you desire to conjure a virtuous genie, then recite the Nur Buat prayer 40x for consecutive nights (for an indefinite period), in a dark, quiet place. If it pleases God, not long after a genie would appear before you and you may begin to communicate with the genie. If you form a friendship with this genie, there may be times when he would assist you out of tight spots.

How to Transmute Turmeric into Gold

The Nur Buat prayer produces many magickal effects. One of these is the transmutation of turmeric into gold. If you wish to alchemically produce the precious metal, you may try the following :

Have at hand a piece of the turmeric root. Recite over it the Nur Buat prayer, then bury the root in the ground. Do not speak a word to anyone what you have done. If God wills it, after two months or so the turmeric root would have changed into pure gold. Dig it up and find out if it has been transmuted; if not, rebury it and wait for another 8 months. After which time, if it pleases God, it would have changed into the metal and will not re-assume its former nature.

The Nur Buat prayer :

"Alahumma dzissulthaanil 'azhimm. Wadzil mannil qadiim. Wadzil wajhil kariim. Wawaliyyil kalimaatit taammaati wadda'awaatil mustajaabati 'aaqilil hasani wal husaini min anfusil haqqi 'ainil qudrati wannaazhiriina wa'ainil insi waljinni wain yakaadulladziina kafaruu layuzliqunaka bi abshaarihim lammaa sami'udz dzikra wayaquuluuna innahuu lamajnuun. A Key-Method for Acquiring Divine Powers

If you would like Allah to bestow upon you divine powers or have divine intelligences come to your aid when you need protection against aggressors, oppressors, and tyranny then do the following :

First purify your consciousness and character of any negative traits and qualities and replace them with spiritual virtues worthy of God. Increase your faith and devotion to Truth, Love, Life, and Light. Be harmless in everything you do. Then while treading the path of such spirituality, fast from dawn (fajar) to dusk (maghrib) for 7 consecutive days. During the 7 fasting days, recite the verses below 70x after the obligatory prayers of the morning and evening.

"Naruddu bikal a'daa'a min kulli wijhatin wa bil ismi narmiihim minal bu'di bisy syatat fa anta rojaa'ii yaa ilaahi wa sayyidii fafarraiq lamiimal jaisyi in romaa bii gholat." 70x

After having done the above as instructed and in full faith, you would have generated and accumulated a certain magickal power within you. Those that desire to harm you would become paralyzed. If you were to shout at them, they would become deaf and dumb. If you were to give them a strong stare, they would go blind. If you were to recite the verse in the presence of wicked tyrants, they would tremble with fear. The person that constantly recites the prayer acquires self-confidence, courage and a strong personality.

A Powerful Healing Method to Clear Malicious Psychic Implants

First Method

Have at hand 7 duck eggs and inscribe upon them using any writing implement the designated verses from the Quran.

Inscribe on the first egg verse 116 of Surah Al A'raaf :

فَلَمَّا الْقَوْاسِرُ وَاعْيُنَ النَّاسِ وَأَسْتَرْهَبُوهُمْ
وَجَاءُوا بِسِحْرِ عَزِيمٍ . (الاعراف : ١١٦)

Inscribe on the second egg verse 118 of Surah Al A'raaf :

فَوَقَعَ الْحَقُّ وَبَطَلَ مَا كَانُوا يَعْمَلُونَ . (الاعراف : ١١٨)

Inscribe on the third egg verse 81 of Surah Yunus :

فَلَمَّا الْقَوْاسِرُ قَالَ مُوسَى مَا جِئْتُم بِهِ السِّخْرَانِ إِنَّ اللَّهَ
سَيُبْطِلُهُ إِنَّ اللَّهَ لَا يُصْلِحُ عَمَلَ الْمُفْسِدِينَ .

Inscribe on the fourth egg verse 30 of Surah Al Anbiyaa :

أَوَلَمْ يَرِ الَّذِينَ كَفَرُوا أَنَّ السَّمَوَاتِ وَالْأَرْضَ كَانَتَا
رَتْقًا فَفَتَقْنَاهُمَا . (الأنبياء : ٣٠)

Inscribe on the fifth egg verse 3 of Surah Al Fath :

وَيَنْصُرَكَ اللَّهُ نَصْرًا عَظِيمًا . (الفتح : ٣)

Inscribe on the sixth egg verse 11 of Surah Al Qomar :

فَفَتَحْنَا أَبْوَابَ السَّمَاءِ بِمَاءٍ مُنْهَمِرٍ (القمراء : ١١)

Inscribe on the seventh egg verse 21 of Surah Al Mujaadilah :

كَتَبَ اللهُ لَأَعْلَبَنَّ أَنَا وَرُسُلِي إِنَّ اللَّهَ قَوِيٌّ عَزِيزٌ
(المجادلة ٢١)

After all of the eggs have been inscribed, cook them by having them steamed--this method of cooking will preserve the inscriptions. After the eggs are cooked, have the patient eat the 7 eggs--all seven of them have to be consumed. If God so wills it, the patient with the malicious implants will be cured.

Second Method

Have at hand a glass of water, then recite over it the following verse :

"Allaahumma iimaan bika, wa tash-diqon bikitaabika, wa wafaa-an bi'ahdika, wa itbaa'an binabiyyika muhammadin shallallaahu'alaihi wa sallam. Wa qul jaa-al haqqu wa zahaqol baathilu innal baathila kaana zahuuqon. Wa nunnazzilu minal quraani maa huwa syifaaun wa rohmatun lil mu'miniin. Wa laa yaziidudh dhoolimiina illaa kho saaron. Wadz-kur-robbaka idzaa nasiita wa qul'asaa an yahdiyani robbii li aqroba min haadza rosyadan. Wakaanal laahu bil mu'miniina rohiiman."

After reciting the verse, blow upon the water in the glass. Visualize a brilliant white light as flowing with your breath and as impregnating the water. See the water glow with vitality. Then have the patient with the malicious implants drink the water--the water should be consumed till the last drop. If God so wills it, the patient will recover. Administer this mystical medication daily if necessary. The medication is best given before the patient retires for bed.

The recitation should be done by the operator after undergoing personal cleansing--physical and psychological.
