This book contains the most powerful talismans ever formulated. They were dictated to Abra-melin the Jew by a highly advanced spiritual being in the fourteenth century. Some people even go as far as to say that God Himself dictated the magical formulæ. Originally the talismans were used ritualistically which was extremely complex and took almost a year to complete. Now, for the first time ever, the rituals have been simplified and updated so that they can be used by even the novice magician. However, they are still just as effective.

Method Of Construction

The magical talismans or 'Holy Squares' are very easy to construct. Once you have chosen the appropriate formulæ simply copy it onto a light yellow piece of card, three inches square. The formulæ is to be printed in blue permanent ink.

Using The Talismans

Once the talisman(s) has been completed, print the following symbol onto the reverse side, this will activate the divine powers contained within the talismans:

When this has been done the talisman is to be carried on you at all times, either in the wallet, purse or pocket until you receive the object of your desire, which should take no longer than one month. Once you receive what you desire, do not throw away the talisman, but burn it in a naked flame, whilst doing so repeat the following invocation:

“God, the almighty One, Creator of all things in heaven and on earth. Give unto me your pure divine wisdom, as you

gave unto Jesus Christ, as you gave unto Abra-melin, and as you have given unto all the great people of times past, present, and to whom you will give unto in time to come. I ask that you guide and protect me in my walk of life and see that no harm cometh unto me whatsoever”.

Then go and sit quietly, keeping in mind the true power of this divine magic.

When several Holy Squares are given for one particular purpose then *all* should be used. Do not aim to fulfil more than one wish at a time. Only when you have accomplished your first desire may you proceed with Holy Squares for another.

CREATIVE VISUALISATION: How to Make it Work For You

by Jolene Anderson

Almost all books on the subject of visualisation have one thing in common: they don't work. Try as one may nothing happens for the reader, and it is usually difficult to get the "mental pictures" to occur in the first place. We are now proud to announce the availability of a book that, at long last, demonstrates a totally PRACTICAL and realistic approach to the subject. Visualisation, says the author, usually fails because of the rigidity of the process expounded by its proponents. She dismisses such rigidity in her book, and demonstrates, simply, how Creative Visualisation can be a totally exciting, stimulating and individually unique experience. When visualisation becomes orientated towards the visualiser's needs, says Miss Anderson, controlled mental pictures begin flowing easily.

But what is so important about Creative Visualisation in the first place? The answer is simple: visualisation is the most essential aspect of all occult and personal-psychology; without it you cannot progress in any phase of these subjects. However, you do not have to be an occult student to benefit from its application: anyone can use it, and as a result gain virtually anything that is desired in life.

Creative Visualisation, correctly employed, definitely WORKS, declares Miss Anderson. What doesn't work is the usual vague and general instruction on the subject found in most books. Here in this book are PRACTICAL...WORKABLE methods of making visualisation work. These methods and techniques are geared to the individual needs and preferences of the reader. Instead of being an arduous affair visualisation becomes, thanks to these techniques, an exciting and fun-filled experience. You will look forward to visualising rather than treating it as a difficult necessity. Never, will you think, that visualisation could be like this! But "like this" it is: with the author's guidance you can become superbly proficient in its use within days or weeks! Here are some of the points you can read about in this book:

- HOW TO GET CLEAR MENTAL IMAGES OF YOUR GOAL - IMMEDIATELY!
- HOW TO GIVE INSTANT POSITIVE IMPACT TO YOUR MENTAL PICTURES
- HOW TO GET YOUR VISUALISATION TO WORK QUICKLY AND POSITIVELY FOR YOU!
- WHAT "HAPPENS" IN YOUR MIND THAT MAKES VISUALISATION PRODUCE THE THING YOU WANT - HERE IS WHAT OTHER BOOKS DO NOT EXPLAIN!
- A GUARANTEED EASY WAY OF STOPPING YOUR MIND FROM WANDERING WHILST VISUALISING
- HOW TO MAKE AN IMMEDIATE 100% IMPROVEMENT IN THE QUALITY OF YOUR VISUALISING
- WHY THE "USUAL" WAY OF VISUALISING IS THE WRONG (NON-PRODUCTIVE) WAY
- HOW TO GET WHATEVER YOU WANT IN LIFE BY VISUALISING ONLY A FEW MINUTES EVERY DAY
- THE MIRACULOUS "TV TECHNIQUE" FOR MAKING THINGS HAPPEN IN YOUR LIFE!
- THE "EMOTIONAL TECHNIQUE": IRRESISTIBLY POWERFUL AND EFFECTIVE!
- HOW AN ORDINARY EMPTY BOTTLE CAN WORK "VISUALATORY MIRACLES"!
- THE "MOVEMENT TECHNIQUE" - WHOEVER SAID YOU HAD TO KEEP STILL WHILST VISUALISING?
- MIRACLE "COLOUR TECHNIQUES" FOR EFFECTIVE RESULTS WITH HEALTH PROBLEMS
- HOW TO MAKE AN ORDINARY CANDLE MULTIPLY THE POWER OF YOUR VISUALISATION

Some readers reading this ad may still be unsure of what exactly is "Creative Visualisation". Simply defined, it is the elementary act of mentally picturing something you want in life in the belief that by so doing you will gain it. This is the basic message of all "positive thinking" books. It is not witchcraft: only simple psychology. The only trouble is that visualising, as simple as it sounds, is usually not quite so easy to do. Saying "visualise" is usually easier to say than do. This exciting new book makes it easier to do than say! However, visualisation shouldn't be just the special preoccupation of a few people - IT SHOULD BE UNDERSTOOD AND USED BY EVERYONE WHO CARES ABOUT THEIR FUTURE HAPPINESS AND WELFARE!

There are some astonishing revelations in this book that no thinking person should refuse to consider. Never, in the history of man, has it been so important, as it is now, to understand and use the powers of mind for protection and self-preservation. And for those who think that Creative Visualisation is an insignificant matter, not of scientific value or import in daily affairs, the author shows how you can positively prove the power of visualisation to change your circumstances within one week! Yes - you can test this power - and get a positively ascertainable answer within seven days! The Creative Visualisation in this book is demonstrable - and can be positively tried and tested!

Miss Anderson does not claim that all and sundry wishes can be fulfilled through this power. She says that money, love, gambling, health goals can be achieved, but only on condition that the reader understands the basic usage of the power. She examines case histories of people who failed to obtain their desires with visualisation, outlining exactly where they went wrong. She guides the reader, like a close friend rather than a teacher, through avoiding the pitfalls and disappointments so that the reader will obtain only success, rather than failure, with visualisation.

This book is above all else, PRACTICAL - not the "pie-in-the-sky" stuff of other books. No person interested in mind power should be without a copy, and anyone interested in seeking a relatively quick way of achieving his heart's desires should not waste a moment in ordering this invaluable book.

All Martha had to do was sprinkle her purse with water when she recited the special words in this book.

That very day Martha returned home with three times as much in her purse as when she left!

Jenny, cursed by chronic pain in her hip experienced immediate relief after she performed the jug and water rite in this book!

Sue, broken-hearted by her fiancé's calling off their engagement, turned to the magic power of water, and that very same day he called begging her forgiveness! She performed the water rite again, and a month later they were married!

But why should so seemingly a foolish and superstitious faith in the power of water make such an impact?

Simply because water is imbued with a spiritual and magical power which no other substance possesses.

In drought people will kill each other for water. We cannot live without it. Two thirds of the human body is made up of it and almost three quarters of the earth's surface is under water.

Both religion and science - which can hardly agree on anything else - concede that life originated in water.

In the religious rites of every faith water is used as a purifier and as an agent for blessing and protection.

In the most ancient times people the world over believed in a Mother Goddess who came forth from the waters and created everything out of water.

In our mother's womb we are immersed in her protective fluid.

Small wonder that subconsciously we hold water with such regard!

RESULTS WITHIN HOURS

Now both women and men can begin

experiencing the material benefits of Water, Magic, thanks to this amazing new book!

You could find your most pressing problem washed away within hours.

Jim from Atlanta was miraculously helped by Water Magic. He was only one hour away from eviction from his home. With nothing left to lose he believed in the God-given power of water as he spoke the special words you will find in this book.

He was not turned out of his home. Fortunately Mae from Tacoma didn't face anything so serious. She enjoyed life's creature comforts, a nice home, and financial security. But she had no-one to share it with.

She performed the water rite on Monday. On Saturday the person of her dreams entered her life.

WHY THESE WATER RITES MUST WORK FOR YOU

Because water is so potent as a spiritual and magical metaphor it becomes irresistible. Mind power adepts speak of an 'Ocean of mind'; the invisible universe is conceived in terms of fluid movement. We speak of the thirst for knowledge or power as if somehow those things that cannot be felt physically must therefore be liquid, that is - water.

We instinctively know its not nonsense to say 'bathed in luxury' or 'flooded with work'. An abundance of water suggests an abundance of everything else. Earth - physical density - is barren without rain.

You can now receive and enjoy all the things you desire by using the power that brings them - physical and metaphoric water!

You only need a jug or cup - and water! - to make this magic happen!

NOTHING COULD BE MORE NATURAL - OR POWERFUL!

SHE CAME TO ME

'I sought the company of the most beautiful woman in our corporation. So incredible were her looks that she seemed like Venus incarnate to me. But I honestly felt I didn't stand a chance with her.

'She knew me, but it was obvious that I was about as important to her as a fly on the wall. I couldn't even begin to summon the courage to ask her out. But I was crazy about her and I felt miserable.

'Then I learnt about the power of water and how it can affect women.

'It seemed as if I was dreaming when the very day after using the water rite she asked me for a date!

'It was then I became a believer.

'That happened just a few months ago and the lady in question is now my steady date!'

This extract from a testimonial from a Montreal man is strong proof of the power of water in matters of the heart!

WATER WORKS WONDERS!

Nothing could be easier than the water rites in this book.

You don't need paraphernalia of any kind. No wiccraft or mumbo jumbo.

Even a child can perform the rites in this book!

They can be performed almost anywhere without attracting the undesirable attention of others. And there is absolutely nothing in Water Magic that will compromise your religious beliefs.

You will be amazed at the results - results which can sometimes manifest within a few hours!
