(Helping people to become aware)

COSMIC AWARENESS is the Force that expressed itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the New Age of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through carefully-trained channels. The information contained herein was received from deep super-conscious trance levels and 'interpreted' by an entity affiliated with C.A.C. This information is for those who desire to help in bringing in the New Age. Throughout the thousands of 'Readings' given through these channels, Cosmic Awareness tells us not to believe anything, but to question, explore, doubt, and discover for yourself, through your own channel, what is the truth. Cosmic Awareness will only indicate and suggest. Neither C.A.C., the Aquarian Church of Universal Service, or the Interpreter, Paul Shockley is responsible for anything Cosmic Awareness may state in any of these readings, nor does C.A.C. or Paul Shockley necessarily believe or agree with the statements of Cosmic Awareness. Paul interprets the energies as he sees them in trance levels and is not personally responsible for what is said.Members of C.A.C. are invited to send in questions of general interest to ask Awareness for possible publication.

QUESTION:

Awareness has touched upon this subject in other readings,(the subject of child abuse); but we have a question from a female member in the Midwest that might bring forth more information, particularly the psychologal aspect. She writes:

"I just wrote the other day, and I forgot to ask a question that caused me a heavy load of weeds and blockages in my garden. I am good at blocking this one out, and it's probably why I'm just now asking.

From age 6 to 12 my father molested me, or masturbated me. He never penetrated me, but I vaguely remember seeing and feeling his penis. He told me *never* to tell my mom, and I have to admit he was very gentle and the physical feelings were pleasurable. Psychologically however, I caused myself to feel I was a terrible person at the core, that it was my fault, and because of society's disgust and taboo with incest, I compensated by trying to have an extremely nice and pleasing exterior. I made straight A's (except for two B's in Geometry) in High School, and was voted "Nicest person" my senior year. All the while I had a terrible self-image.
