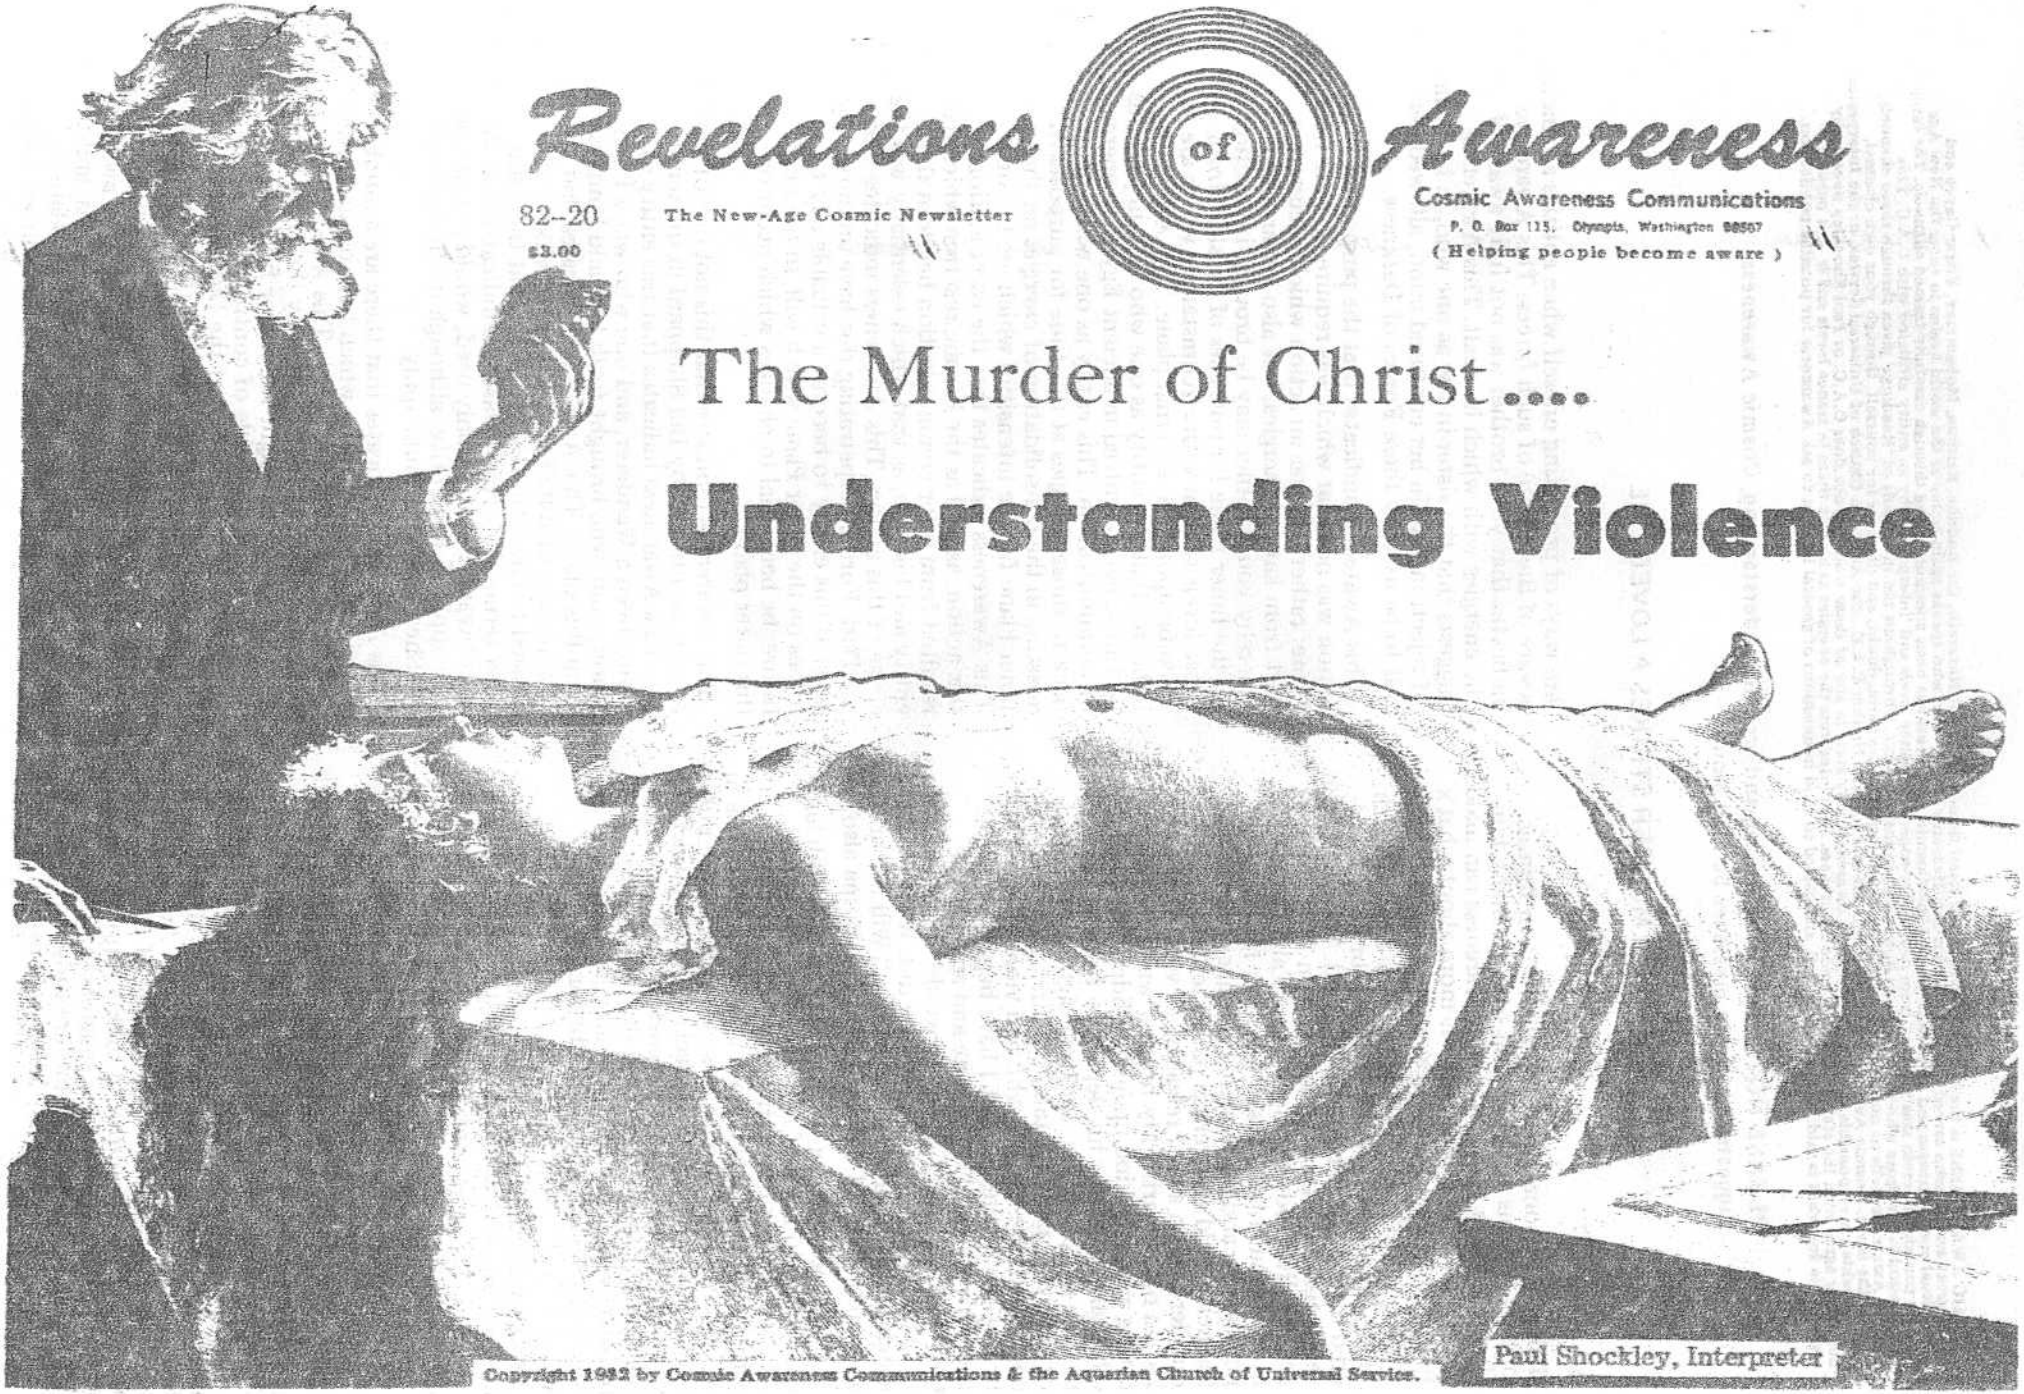
The Murder of Christ....

Understanding Violence



Paul Shockley, Interpreter

Copyright 1982 by Cosmic Awareness Communications & the Aquarian Church of Universal Service.

COSMIC AWARENESS is the Force that expressed itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the New Age of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through carefully-trained channels. The information contained herein was received from deep super-conscious trance levels and 'interpreted' by an entity affiliated with C.A.C. This information is for those who desire to help in bringing in the New Age. Throughout the thousands of 'Readings' given through these channels, Cosmic Awareness tells us not to believe anything, but to question, explore, doubt, and discover for yourself, through your own channel, what is the truth. Cosmic Awareness will only indicate and suggest. Neither C.A.C., the Aquarian Church of Universal Service, or the Interpreter, Paul Shockley is responsible for anything Cosmic Awareness may state in any of these readings, nor does C.A.C. or Paul Shockley necessarily believe or agree with the statements of Cosmic Awareness. Paul interprets the energies as he sees them in trance levels and is not personally responsible for what is said. Members of C.A.C. are invited to send in questions of general interest to ask Awareness for possible publication.

PLEASE NOTE: for easier reading and greater understanding, Cosmic Awareness suggests that these messages be read aloud.

WHEN MURDER STRIKES A LOVED ONE

QUESTION:

This is a personal question from C.P. in Illinois, but it concerns a subject that touches many families these days,* and perhaps Awareness can make entities understand a little bit more about what's happening during these heavy times.

"Dear Cosmic Awareness: near the end of March, 1981, my oldest brother Jeff was brutally murdered by his wife and her boyfriend. They had been separated for 9 months and were in the process of getting divorced. I'm not too sure about her true motives, but I believe she was after his material possessions and also seeking revenge for his rejecting her. Could Awareness please tell me if his murder was an act of releasing or venting some karma of the earth? My brother was a gentle, loving and very kind man who didn't deserve such a brutal death. Was his departure from this plane at such an early time for some significant reason, or was it simply a mistake? At first, I was very angry with the entities who had violated my brother so ruthlessly, but I have begun sending them love and light, not hate and anger. I am confused as to why an entity would violate another in such a way as my sister-in-law did. Will she suffer much karma because of her actions? Will my brother also carry some of the weight of that karma also?

'I have been reading the channelings from Bill and would like to know if my brother is one of the Avatars venting the earth's karma, which Bill refers to. I have experienced a significant increase in my own awareness since this event. Is this the purpose of this event, or only an effect? I would appreciate any information from Awareness to help me and my family better understand the death of my brother, so that we can grow and gain from this seemingly useless event. Humbly and lovingly, Carol P."

*In the past year, C.A.C. has heard from at least six members who have had family or loved ones murdered.

COSMIC AWARENESS:

This Awareness indicates there is seen that which is a purity, and that which is unable to accept that purity. This Awareness indicates that there is a book by Wilhelm Reich which speaks of the murder of Christ.* This Awareness suggests that you read this book for deeper understanding of this situation. This Awareness indicates that essentially, wherein an entity is pure, there are often Dark Forces which do not like the presence of such purity. This Awareness suggests that therefore, the murder of the Christ Consciousness, or purity of others is prevalent upon this plane. This Awareness suggests that it often occurs that the nicer persons are those who are victimized by the Dark Forces. This Awareness suggests there are ways of protecting oneself when entities are more aware of the nature of such forces. This Awareness indicates that your brother was not fully aware of the energies with which he dealt. This Awareness suggests that the sister-in-law as one who, in her pain of rejection, and in her confused mind, allowed herself to be used by these Forces of Darkness.

This Awareness indicates that the purpose of this action was not that which was required by the Inner Plane: rather this was an action which occurred in part from karmic energies, but also has an effect whereby your brother may be brought into action on the Inner Plane for purposes of assisting from those levels to deal with circumstances which are to come upon this external plane. This Awareness indicates that the entity as one who had, in previous lifetimes, been involved in ancient Egyptian energies of mummification. This entity as one who was taken back to those energies at this time for purposes of assisting in the consolidation of energies on the Inner Plane for the intensities which are to come. This Awareness indicates that the combination of this action, as well as the karmic reaction which has resulted from poor communication between this entity and his wife, as that which essentially was the cause of this action. This Awareness indicates that the Dark Forces perpetrating this have unknowingly assisted this entity to become a valuable ally to forces on the Inner Plane which will, in the near future, be beneficial to changes which occur on this outer plane.

This Awareness indicates that this not one of the Avatars mentioned by Bill Sheppard in the sense of....This Awareness indicates that this entity as having been a Wanderer, and one who was a Lightbearer,—one who brought forth love and kindness upon this plane. This Awareness indicates that the terminology of Bill Sheppard as that which could be used to cover this entity's role; that there are other terms also. This Awareness indicates that the term 'Avatar' as commonly used, would not necessarily apply to this entity, although in the terms of Bill Sheppard, this could apply.

This Awareness indicates that there are a number of incidents of this nature which have occurred, and which may continue occurring. This Awareness indicates that there is a desperation by the Dark Forces to rid this planet of Light Forces, or find themselves becoming incapable of controlling the planet. This Awareness indicates that the Dark Forces, becoming more desperate, create bizarre situations, and use entities who are weakened, and work through entities of the weakest kind. This Awareness suggests that entities be aware of their situations, be aware of each others' states of mind and emotions, and to take great care in the way in which you relate to each other, particularly wherein emotions are volatile.

This Awareness indicates that it is necessary for this entity to become more grounded in reality by having others recognize that much of what he says is pure baloney.

ED's Note: We have heard from some CAC members that they had Tarot readings by mail from the entity (he charged them $75) and received certain past-life information that hadn't been revealed in readings given by Awareness. Usually this information reveals that the entity was some great person in previous lifetimes, such as a King or great god. You don't get this info in his $25 'quicky' reading, but for $75 he will tell you what you want to hear. For you entities out there who may feel left out because in your Awareness reading you were not told you were one of the disciples of Jesus or something similar, you might, for the right price, be able to squeeze this information out of Lee Michaels. Since there are many entities on the inner planes who can read the Akashic Record and pass this information along to the medium requesting it, the information could very well be correct. (Cosmic Awareness is not the only force which can correctly read these Akashic Records). However, when forces of motivation which are other than the highest are involved, the possibilities are that the information is not 100% clear and could be tampered with by the lower astral forces in order to fool, confuse or appeal to the egos of entities who desire to have a past life of some significance. However, if you can afford this type of reading and you find the information pleasing and it contains no threats or conditions or intimidations of any kind, then in the opinion of this editor, you can consider the information as valid.

As for the C.A.C. staff, and also for the Interpreter Paul Shockley, there is but one entity in whom we can always rely on for a clear, succinct, right-on and honest Tarot interpretation without bias or bull, and that is from the entity Sam Millar, the official C.A.C. Tarot Interpreter, whose channel HAS been cleared AND recommended by Cosmic Awareness. (Sam still only charges $30 for his readings which come on a one-hour tape cassette). Those of you contemplating sending Lee Michaels $75 for his Tarot reading, can do so; but for us here at the C.A.C. office, we are sticking with Sam Millar and still recommending his services. Incidently, Sam does your reading the same day he receives your questions and fires the tape back via First Class Mail within 24 hours. Anyone wishing a reading from Sam can obtain the proper form and other information by simply writing to Vicki T. in care of C.A.C., or refer to the booklet, "Personal Services to the membership".

STARCH BLOCKS --- DO THEY REALLY WORK?

QUESTION:

Everybody seems to be writing in asking about 'starch blocks'. I'd like to ask Awareness if these things actually work, and are they safe?

COSMIC AWARENESS:

This Awareness indicates these do work, but there *is* risk involved. This Awareness indicates that some of the particular amino acids and enzymes which are blocked by this are necessary for entities to maintain good health. This Awareness indicates that in many instances, entities who block certain of these enzymes and the amino acids involved in absorbing starch also are disrupting their immunity system and can create other side effects. This Awareness suggests that these be used with caution. This Awareness indicates that these not be used as.....This Awareness suggests that it essentially is better to avoid the use of the starch blockers, that there are other ways which are more beneficial, with less hazard involved.

This Awareness indicates that for entities who are not suffering from hypertension, phenylalanine is beneficial in curbing the appetite, and this can be helpful in weight reduction. This Awareness suggests that those experiencing hypertension should avoid use of this without consulting their doctor. This Awareness suggests that any weight loss program should be under supervision of a doctor, particularly wherein a weight loss program involves more than ten pounds as a goal.

ED's Note: the following letter was sent in to CAC headquarters by a CAC member after reading in 'Revelations of Awareness' No. 82-18 that Awareness had pulled the chain on old Lee. This letter expresses some of the feelings the CAC staff has had ever since this unfortunate matter occurred. Maybe it was supposed to have happened this way. What do you think?

Dear C.A.C.

In reading C.A.C. newsletter No. 82-18 re: Lee Michaels' having "fallen by the wayside"--or at least letting go of more important things for lesser interests, --It came to me that we are fortunate in his lessening at this point in time. Why? Because I found myself so 'overwhelmed' by his powers and abilities that I found myself with the attitude of 'let George do it' (in this case, 'Let Lee do it', let Lee carry the load) which is not fair. So after reading about all this, the idea came that I--WE--are able and SHOULD do our own share of communicating with the astral and etheric realms. It is not a 'privilege' for us to all help our planet earth and all living creatures that experience this earth life,--it is our DUTY as aware entities, as spiritual beings.

I guess I just want to say, "Thanks, Lee,--we needed that"--and we bless Lee Michaels for showing us the way, and will hold out our hand, mentally, to keep him close in love. Sincerely, Elsie L.

This Awareness indicates that entities, in seeking to lose weight, can often affect their metabolism so that the vitamins and mineral balance of the system is thrown off. This Awareness indicates that many entities have experienced years of perfect health, wherein no problems have ever occurred in their health, but because they desire to tamper with their system, go on a diet, or take vitamins that they feel might be beneficial, something occurs, and they throw-out the metabolism so that their health begins to collapse.

This Awareness indicates that this is relatively rare today more than in the past, for there are so many other reasons why entities' health collapses today than in the past. This Awareness indicates that the pollution factors, the air pollution, job pollution, the intake of lead, mercury and other metals into the system can throw an entity's health out of balance on many levels so that the entity who once was in excellent health, can, within a very short time, suddenly find himself or herself deteriorating greatly.

This Awareness indicates that in terms of losing weight, this Awareness suggests a complete program whereby the entity relies not exclusively on diet, but also on mental and social tools for weight loss. This Awareness will, at a later time, present a complete reading on approaches for losing weight.

WHO KILLED NORMA JEAN?

QUESTION:

They have just reopened this whole thing about the death of Marilyn Monroe, and a lot of information is going out in the newspapers, so I'm going to read this and ask Awareness to comment, in the hopes that it will save an onslaught of questions coming in on this subject:

"A private Los Angeles investigator has offered a $10,000 reward for Marilyn Monroe's diary. He says it will prove that the death of the sex goddess 20 years ago this week was a murder ordered to stop her from exposing a CIA plot to kill Fidel Castro. Milo Spilileo, director of the Nick Harris Detective Agency said yesterday, that after spending more than a decade investigating Monroe's death, "I can say with one thousand percent accuracy that she was murdered."

Spilileo insists the 36 year old blonde was injected with drugs by a dissident faction of the CIA to keep her from holding a news conference she had planned for the next day to disclose the plot to kill Castro."

Would Awareness give any more information on this subject of Marilyn Monroe, or whether this information just read is true?

COSMIC AWARENESS:

This Awareness indicates that this information as being approximately 95% accurate. That the entity has essentially unravelled the essence of the mystery behind this entity's death. This Awareness indicates that more will be brought to light in regard to this, as the diary is found, and information is released. This Awareness indicates that it appears there are still certain forces seeking to prevent the release of this diary, and also there is the realization of the danger involved in possessing or releasing this diary, therefore, these energies are not clear at this time as to the proper timing and events which will lead to this release.

This Awareness indicates that in terms of the entity Marilyn Monroe and her association with the President John Kennedy and Robert Kennedy, that these relationships with these entities were watched from the beginning, and that the CIA was highly concerned about information which passed between these entities. This Awareness indicates that it appears this also reached into areas associated with Onassis and the mafia, and their intrigues, both in Hollywood and in government levels.

This Awareness indicates that the entity Marilyn Monroe as having reincarnated, and is now a young girl of approximately ten or eleven years of age. This Awareness indicates that the entity Robert Kennedy as also having reincarnated. This entity as approximately 9 or 10 years of age. The entity Jack Kennedy as appearing to be approximately 13 to 15 years of age. This Awareness does not wish at this time to reveal locations of these entities.
