THE WEB OF CONSPIRACY (Part 12): THE NAZI CONNECTION AND THE MARK OF THE BEAST

THE LONG HOT SUMMER: IS IT ABOUT TO BEGIN? IS THE 4TH REICH ABOUT TO IGNITE AMERICA?

THE WEB OF CONSPIRACY (Part 12) THE BEAST AT BAY FOR YEARS MAKES A DESPERATE MOVE

( C.A. C. General Reading, July 15, 1992 )

EDITOR'S NOTE: Sorry, gang, to have to lay this on you, but disturbing as the information is, I honestly believe you would rather be aware of it than be in ignorance, should these events actually occur. I believe this reading contains the missing piece of the conspiracy puzzle we all suspected has been missing all these years. (Avaton)

THE NAZI INFO BY MIKE YOUNGER: HOW VALID IS IT?

More on the Photon Belt

QUESTION:

Awareness, we're here tonight for a general CAC reading. Does Awareness have an opening message?

COSMIC AWARENESS:

This Awareness indicates that the vibrations and energies upcoming are those that will affect the cellular levels of the human structure which may be synonymous with that which is called an awakening of humanity. This Awareness indicates that it will lead entities to become more acutely aware and sensitive to values and to the spiritual energies that their lives depend upon.

This Awareness indicates that it appears the energies will be more acutely felt than in times of the past and that entities will be very much aware of vibrations and intangible forces that affect their realities. This Awareness indicates this relates to the timing of the opening of certain encoded information within the genes and cells of the human body that was implanted at the time of its creation.

It will occur slowly over long periods of time. It appears this will be triggered in part during this latter part of July, while the Earth passes through the photon belt.

ED's Note: In issue 92--11, which was in the works to be mailed to you next, but was interrupted for the enclosed Hot Line Special issue, we have info on the Photon belt. Essentially, those dire predictions by "Hatonn" and others that the earth would experience 5 days of total darkness, no electricity etc. as a result, is not true, but more of the typical cosmic gas passed by those so-called 'spiritual' entities such as 'space brothers'. We are entering the photon belt, but it is long-term thing leading up to the change in 2010 when the Earth enters into a 4th Density vibration.

CAC will try to get issue 92--11 finished and mailed to you as soon as we can. The urgency Awareness outlines in the enclosed newsletter is self-explanatory and we hope you will all bear with us.

COSMIC AWARENESS is the Force that expressed Itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the 'New Age' of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through carefully trained channels. This information is for those who desire to help in bringing in the New Age. Throughout the thousands of 'Readings' given through these various channels, Cosmic Awareness tells us not to believe anything, but to question, explore, doubt, and discover for yourself, through your own channel what is the truth. Cosmic Awareness will only 'indicate' and 'suggest'. Neither C.A.C. or any of the Interpreters is responsible for anything Cosmic Awareness states in any of these readings, nor does C.A.C. or the Interpreters necessarily agree with the statements of Cosmic Awareness. The Interpreters interpret the energies as they see them in trance levels and are not personally responsible for what is said. The Interpreters published herein have no connection with, nor control over the editorial comments and material, including illustrations. This is entirely the responsibility of the editor. Members of C.A.C. are invited to send in questions of general interest to ask Awareness for possible publication in this newsletter.

Paul Shockley, Interpreter

QUESTION:

We just listened to a tape from a UFO convention July 4th in Arcadia, California, where the speaker, Mike Younger, astounded the crowd with incredible information on the Nazi agenda here in the United States. I'd like to ask Awareness: roughly, what percentage of the information on that tape is valid?

COSMIC AWARENESS:

This Awareness indicates that there is so much information on the tape and it is presented in so many different ways, it is difficult to answer in regards to validity. In part it is hypothetical information. It is the expose of a plan. In a sense, the plan is that which is relatively accurate. The entities in discovering the plan took great pains and risked their lives to discover parts of that plan and the plan itself as interpreted by these entities appears to be approximately 80% accurate.

Whether the plan will be carried out is still another question. This Awareness indicates that the fact that someone has a plan does not mean the plan will occur; It suggests that there is some potential of approximately one-third chance of the plan being carried out. This Awareness indicates that the one-third chance is approximately what most entities could expect in a betting situation that was favorable to the bettor. In other words, if you had one-third chance of winning, in a betting situation, your odds would be relatively good.

This Awareness indicates a one-third chance of winning, a one-third chance of this plan being carried out are relatively high odds considering the magnitude of the plan, and therefore, It does not wish to underplay or under-emphasize the situation by putting a one-third chance of success on such a plan.

This Awareness indicates that other aspects of the tape refer to other areas, many of these being questionable, many of these being totally correct. There are many things that are given on the tape; the question of each statement and its percentage of accuracy would be impossible to answer without going over each line individually.

This Awareness indicates that there does appear to be some error in some of the statements and some accuracy in some of the statements, but in the general direction, it appears that the tape has exposed a dastardly plan which has energy behind it, wherein there are forces which are trying to bring this plan about, and wherein these forces believe the plan can be carried out.

Unless there is something that occurs which persuades these entities to withdraw efforts from their plan, it appears there will an attempt to carry out the plan. This Awareness indicates that as previously suggested, the likelihood of the plan being implemented is approximately one-third. The chance of it being totally carried out in full is even less, yet, this may occur if no one does anything to stop the plan from being carried out.

This Awareness indicates there are some entities even now working to prevent this from happening. They are at present in a weaker position than those who would cause the plan to occur. This Awareness indicates that it appears that rather than concern oneself with the probability or possibility of the plan occurring, it would be better for

entities to watch for signs, and this is fortunately, available<sup>3</sup>, and if certain things come about, it would indicate the plan is in motion, and if these events transpire along certain lines, it would imply the plan was working.

#### Brain-Washing Public this July for Civil War in August

This Awareness indicates that in a brief overview of this plan, the plan calls for the month of July to be that which prepares entities for civil war. Perhaps that term is too strong. The plan calls for entities to become polarized so that they can be used for social conflict during the month of August. The polarization during July would come about through statements such as those released by the rap singer, "Sister Solj" who, in her music, or rap lyrics instructed blacks to kill white policemen.

This Awareness indicates that this of course was challenged by many and, most notably, by the candidate for president Clinton, who stated that he did not think such lyrics were healthy for society and that she should be censored or should not state such things and that the publishers of her music should know better than to put out such statements.

#### Recent L.A. Riots a Test Case Orchestrated by Conspirators

This led to a controversy between Jesse Jackson and Clinton, over the question of such censorship or allowing entities to say such things. This Awareness indicates in effect it brought more attention to her statement about blacks killing white policemen, and it helped to set some polarity in the minds of entities, be they black or white.

This Awareness indicates that in other words, it was a way of subliminally preparing entities for conflict that might be further developed down the line. This Awareness indicates that the plan calls for this kind of polarization to be influenced during July and for August to become the month in which riots break out in the cities, and these will be artificially created to start the more spontaneous reactions from Blacks and Chicanos, Latinos and Whites, so that each of several selected cities will begin to burn, much like the Los Angeles riots in May.

This Awareness indicates that some of the events in Los Angeles were exacerbated by Special Forces sent in to incite more violence and to set off incendiary bombs to create more destruction, to see if they can control the level of destruction and violence to heighten the degree of conflict and still not be detected.

#### More Riots Planned for New York and Other Cities in August

This Awareness indicates that the plan calls for riots in New York, Atlanta, Miami, Chicago, and several other large cities; that the riots would be triggered by Special Forces troops masquerading as police officers, who come into an area and shoot Blacks or Latinos and then certain other Special Forces troops masquerading as gang leaders or reacting Blacks who come back and begin firing at real police officers, so that the police community is then brought in to quell the violence and Special Forces troops would then begin more fights against these real police officers, until it is necessary to bring in the National Guard.

#### National Guard Called In, Then UN Troops are Called

When the National Guard comes in, the Special Forces troops in disguise as gang leaders will begin firing on National Guard troops and try to get the gangs to do so also. This then will become the excuse to call in United Nations troops into the cities of the country.

#### Operation "Hot August Night" Begins

This Awareness indicates that all of this is to take place in August over a period of a few days under the code name "Hot August Night." This Awareness indicates that once the United Nations troops are brought in there will have already been signed Executive Orders that give them the power to do whatever is necessary to bring about peace.

It gives them the power to enter homes without any permission from the home owners, to take things from the homes, and gives them the power to arrest or to shoot anyone who they perceive as resisting. It gives them the power to do whatever they wish and no power in the nation has any power over them, neither the courts nor the local police, nor the army.

They are the highest power in the nation at that time. The plan calls for these United Nations troops to infiltrate from one city to another, going through homes and taking printing presses and other electronic and manual devices that might be used for duplicating information. They can take any and all electronic equipment from homes such as VCRs, televisions, radios, but will focus mostly on anything that can duplicate any information so that individuals are not able to send messages, broadcast through printing or electronic means, any kind of message to others, FAX machines will be taken.

This Awareness indicates the purpose of this is to shut down any communication in this country by individuals, except through those means that are controlled by the invading and government powers, wherein messages can be controlled and censored.

#### UN Troops to go After "Patriots" for Extermination

The plan calls for the invading UN troops to have a list of all individuals who might be perceived as dangerous to the plan, who might be perceived as a potential future threat to the One World Government or New World Order, and that such persons and anyone related to or associated with such persons to be taken, either shot on the spot or taken to concentration camps around the country of which there are 13, whereby they would be then kept in the concentration camp until further disposal.

#### In September UN Troops to Confiscate all Guns

This Awareness indicates that the concentration camps essentially would be forms of extermination camps. This Awareness indicates that according to this plan, the month of September of 1992 would be the time in which the United Nations Forces would be rounding up people and intimidating the masses. They would be trying to gather all the guns from homes, and would show through films and television, entities being shot in their homes for not giving up their guns or for resisting the United Nations troops.

#### A Fake Alien Invasion Scheduled for October

The intention of showing such films would be to intimidate entities into total compliance when asked for weapons and when invaded in their homes by these United Nations Troops. This Awareness indicates that throughout September, the troops would move from city to city and locate and pick up individuals on the list and then in October there would be this event that would be televised worldwide in which UFOs would be seen as invading and threatening an invasion of the Earth so that around the world people would hear of and see pictures of a fake UFO invasion.

The invasion would be fake. This Awareness suggests that sometime ago *It* indicated if a UFO invasion comes in '92 or '93, it will be fake. If it comes later, in '96 or '97, it will be real. This Awareness indicates that this invasion for October in the plan would be a fake invasion to persuade the rest of the world that they must all get involved in the New World Order in order for the Earth to be capable of fighting off the invading extraterrestrials.

#### Bush to Remain President Regardless of Election

This Awareness indicates that once the nation is taken over, the plan calls for the incumbent president to remain in office, even if the election needs to be canceled or manipulated to make it appear he won through the vote-counting manipulations that are available.

If you recall, Dr. Beter once explained that the vote-counting machines are controlled by a New Jersey gambling organization, an organization that attends to gambling machines which is owned by the Rockefellers, and the vote-counting machines can change the votes to assure a victory for any candidate, thus, this plan calls for Bush to win the election, by one means or another, or, if in extreme conditions, the elections would be canceled due to national emergency.

#### Stock Market to Crash in December

If this does not assure the One World Government or New World Order its place, the plan calls for a December crash of the stock market to drop down to 1500 points, which creates a severe depression throughout the land, brings people to their knees, and leaves them asking for protection and help from any source possible.

#### A Plan to Assassinate Bush in February, 1993

Therefore, the UN troops being still within the streets of every city, would be there for protection against potential rioters and would also be there to assure that no individuals get together to start any kind of backlash against the government, and the plan would also call for a possible event in February or March of '93 whereby the president would be assassinated and Dan Quayle would become the new president.

#### Quayl to Scrap Constitution

The plan also calls for Dan Quayle then to implement all of the Executive Orders and turn the country into a totalitarian nation, as totalitarian as was Nazi Germany or Soviet Russia in its worst era.

This Awareness indicates it then would begin a time in this nation where the Constitution itself would be scrapped and all guns and weapons would be taken from the people and all rights of assemblage, those rights guaranteed by the Constitution, would be denied, and police rule without trial would be the order of the day.

#### 1998 'Mark of the Beast' is Implemented

This Awareness indicates that eventually, individuals would be assigned certain jobs under slave conditions. The year 1998 would become a significant date for it is the sum of 3 times 666. It would be the year in which all entities would be required to have the number or mark that identifies them individually in the nation so that they can be tracked and found, located, and can not escape from any effort by those in power to find them.

This number would be either through an implant or some similar type of mark that could electronically be used to locate them. It is not simply a tattoo. It would be something designed to identify them so that a ship flying overhead or a satellite flying overhead could notify authorities as to one's whereabouts.

#### In Year 2000 "Fourth Reich" Begins its Reign

This Awareness indicates that the year 2000 would be the official birth date of the beginning of the thousand year reign of the 4th Reich, the dream of Nazi Germany that they would rule the world. This Awareness indicates that this plan relates to the plan of Adolf Hitler in his desire to create a New World Order in which the Third Reich would gain control of the world and turn it over to the aliens, the Zeta Reticuli.

The plan calls for this to occur on the date of January 1, in the year 2000, and the 4th Reich would then receive certain benefits in that New World Order controlled by the alien invaders, the Zeta Reticuli and the Reptoids from Draco. This Awareness indicates that as the months pass entities can judge for themselves whether this Hot August Night occurs, whether there are riots in the cities during such times, and can generally watch the progress of the plan come down, if indeed it is in the works and is effective.

This Awareness indicates in the present month, entities can watch for further signs of the subliminal polarization that may be in the making which most likely will gain momentum after the Democratic convention when the Democratic convention does not take so much attention. This Awareness indicates that even in the Democratic convention there may be some polarizations that are influenced.

#### If Any of these Events Occur, Prepare to Run or Fight

This Awareness indicates that if entities see these things occurring, and especially those who have reason to believe their name may be on the list, it would be imperative that they either get out of the country immediately, before or by the time UN troops have set foot in this country, or that they recognize they are most likely doomed for concentration camps and extermination, or that they must defend themselves one way or another.

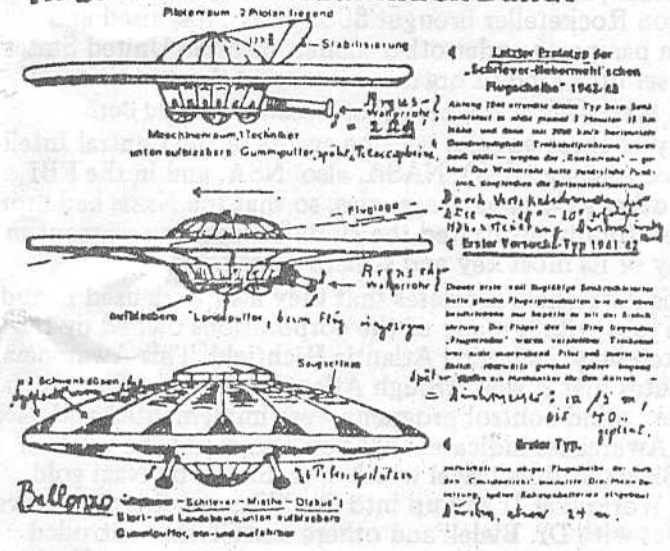

In terms of defending themselves, the plan calls for special forces to be trained in mountain warfare. The places in the mountains that are perceived to be likely hiding places for patriots have been marked and troops are ready to invade those mountainous places and regions to track down any patriots who seek to escape in the mountains.

This Awareness indicates that there are satellites that pass overhead on a regular basis. Entities fighting in remote areas must know the times these satellites pass over in order to avoid being detected, because these satellites can pick up the presence of a human, even in the most remote areas, and such information would be used for tracking down those who seek to escape.

This Awareness indicates that entities have no need to believe this will occur, or to believe it will not occur. They can simply watch events and if they see the events transpiring, they will know what is happening. If the events do not transpire, they will know that something has either defused the plan or that the plan was never initiated to begin with.

# „UFOs gibt es nicht! Wohl aber: Flugscheiben am laufenden Band!“

PLANS—Three saucer designs seen in a German publication dated Aug. 20, 1966. FROM WILLIAM MOORE'S 'PROJECT V-7: HITLER'S FLYING DISCS'

## HOW DID NAZIS GET INTO POWER IN THE U.S.?

### Hitler and Aliens Build Underground City in Antarctica

#### FOLLOW-UP QUESTION:

Would Awareness give sort of an overview on how the Nazis, which most people thought were virtually eliminated at the end of World War II, how they became so powerful and so secretly behind the scenes and unknown to the public, to reach their numbers as they have now and the power to implement such a program?

#### COSMIC AWARENESS:

This Awareness indicates that this information given in the tape as that which covers most of this, the basic material. This information being that which has been generally withheld from the public, yet it is available in bits and pieces in obscure books and writings.

This Awareness indicates that the entity giving the information on the tape will be more or less paraphrased and this Awareness will evaluate or comment on his appraisal. This Awareness indicates It needs to move back in time. That in as early as 1928, there were extraterrestrials who had made contact with humans on Earth. That in 1936 the Germans, including Adolf Hitler, made contact with entities from Shamballa in Tibet and Western China, and met with these people who are referred to as Cave People. They are the underground people whom Richard Shaver refers to in his writings.

Some of these people are of the Dero type, but there were others who are of a more human type of being, and these Shamballan priests had contact with both the Deros and through the Deros, with the Zeta Reticuli Greys, and these entities allowed a meeting to take place between high Nazi officials and the Reticuli Greys in the year 1936.

This Awareness indicates that the meeting led to an agreement whereby the Nazis received certain technology from the Greys in response to Nazi endeavors and efforts to bring about a New World Order which could be given over to the Greys when the time was completed to allow the Greys to have possession of the Earth with a certain portion retained by the Nazis.

This Awareness indicates this was Hitler's motivation for world conquest and his means for gaining technology from the extraterrestrials. Thus, in 1938, the first so-called flying saucers were built by Nazi Germany. These were propeller driven. Later models were propulsion, and eventually, anti-gravity or non-motorized craft were developed. These by 1952.

#### Nazi UFOs Go To Mars and the Moon in the 1940's

This Awareness indicates that in 1943, the area in Antarctica, with the help of alien technology had been developed to where an entire city was built with warm running water and lighting and complete facilities for comfortable living. The city was called New Schwabenland. This Awareness indicates that this was completed by 1943 and the Nazis were well aware than even in the event they lost the war, they could retreat to that area for safety.

This Awareness indicates that during these years of the war, the Nazis continued to work on their flying saucer projects and built one which was capable of going to Mars. Others were capable of going to the moon and certain moon bases were created, which the Russian and United States governments discovered as early as 1952 through their own saucer programs.

This Awareness indicates that by the time the war ended a great portion of the Nazi leaders had already left Germany and were working in New Schwabenland or on moon bases. Some were on Mars. This Awareness indicates that the U.S. government and the Russian government found out about these moon bases in 1953 and formed a pact with the Nazis which allowed them to pool information on UFO technology with the Nazis so that all parties could gain further advancement in their technological quests.

This Awareness indicates that this led to further quests in terms of the efforts to make Mars and Venus places inhabitable to human life. It was discovered that certain types of minerals within the lands on Mars and Venus, when affected by other influences such as nuclear bombs or radiation, could create other chemicals that would eventually lead to a kind of atmosphere which could be released around each planet, if the combinations were just right.

This Awareness indicates that this began projects to create atmospheres for Mars and Venus which later led to the plan to turn Jupiter into a sun, so that its radiant energy could affect Mars.

### Nelson Rockefeller Brings 3000 Nazis Illegally Into U.S.

This Awareness indicates that the continued growth of the Nazi party after World War II was enhanced when Nelson Rockefeller brought 3000 Nazis, disguised and given passports under other names, into the United States, and set up a kind of organization using these entities.

### Mind Control Projects Out of Atlantic Richfield Corp.

Many of these entities became agents of the Central Intelligence Agency (CIA), NASA, also NSA, and in the FBI and other government agencies, so that the Nazis had more or less totally infiltrated the United States government in many of its most key and sensitive positions.

This Awareness indicates that they also were used in and given jobs within many of the corporations owned by the Rockefellers, including Atlantic Richfield. This Awareness indicates that it was through Atlantic Richfield that much of the mind control programs were implemented and used. This Awareness indicates that you also recall the work of Dr. Bielek in time travel which was funded by Nazi gold, after World War II and up into the '70s, and this time travel project with Dr. Bielek and others was a Nazi controlled project, which allowed them to have many new technologies and discoveries made available to them.

This Awareness indicates that these technologies have yet to be fully manifested and materialized for complete use. The information gathered from that will be used in the future for even furthering technology beyond that of the alien technological information used today.

### The Beast Rule and the 4th Reich

This Awareness indicates that the plan which is discussed on this tape is essentially a Nazi plan for turning the United States into a totalitarian country which will allow the New World Order to be implemented from this, the most powerful nation on Earth today. This would be that which in the *Book of Revelation* would be called The Beast.

It is the Greater Beast which will force the Lesser Beast to do its bidding. This Awareness indicates that the fact that the United States now has a greater arsenal and that the Russians are no longer a threat creates an opportunity for Nazi Germany of '44 to become ruler of the world in '92.

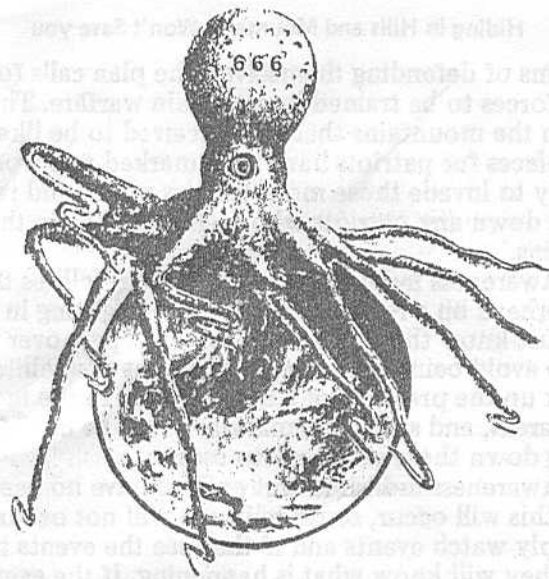

This Awareness indicates that many who went through World War II thought they had completed the war and that the atrocities of the Nazis at that time were at an end, but indeed, they have come back as the 4th Reich. The Nazis in this country are well hidden, or to be more precise, their role as Nazis is well hidden.

### Bush's 'Skull & Bones Society' a Nazi Organization

This Awareness indicates that the previous readings given by this Awareness have made reference to George Bush as having been involved in the Skull and Bones Society in Yale and that the Skull and Bones Society was linked directly into the Skull and Bones Society of Berlin, during Hitler's early years, and that the Skull and Bones Society was still Nazi oriented and that there appeared to be a link between George Bush and the Nazi orientation from the Skull and Bones Society.

### Dan Quayl's Plan to Have Bush Assassinated

This Awareness indicates that according to this tape by this entity who appears to be well-placed to know, the entity George Bush is oriented to serving the Nazi party. The plan as presented by this entity calls for George Bush to implement this plan to bring the United Nations Forces into the United States, to set up a dictatorship or the presence of a force that can be used for dictatorship, and that if this isn't totally successful, that by February of '93 or March of '93, the plan of these Nazis is supposed to call for Dan Quayle to have George Bush assassinated so that

he himself becomes the new president.

### Quayl Already Head of Nazi Party

According to this entity, whose name is Michael Younger, the entity Dan Quayle has been the head of the Nazi party in the United States for the past ten years, and that Dan Quayle agreed that if this had to be, he would immediately call all of the Executive Orders into play and create a totalitarian dictatorship overnight in this nation.

This Awareness indicates that this, in a nut-shell, is the overview of the plan that was exposed in Arcadia, California, last week, in July, 1992. This Awareness indicates that it does not require an evaluation so much as a "wait and see" for if it is so, it will be obviously so by the time this message reaches most entities.\* The dates for the Hot August Night were August 17, later changed to August 23rd, but it was suggested that the dates might yet be changed again for this to occur, but that it will occur some time in August.

*\*[Normally, it would take about 4 weeks for a reading to go through the process of transcription, retyping and printing for this newsletter, but because of the urgency, the CAC staff, with the valued aid of its trusted transcriber Strongbow, we were able to get this message out within a matter of a few days. It is our hope and prayer that you, the membership, will respond by writing letters and circulating chain letters, posting the information anywhere you can find a bulletin board, etc. so quickly that these Nazi forces will hear about it from all corners of our nation, and will think twice about igniting this fuse in August which will bring down Operation Hot August Night. When you write to people, please do not make copies of this newsletter to send, but from the information, make up a chain letter that can be circulated and copied over and over so entities may be informed and they, in turn, make many copies and mail out. Do not put your name or address on any of these documents, for obvious reasons, but let's bombard these people, George Bush and Dan Quayl so they will know that thousands of American citizens are wise to these Nazi schemes. Letters to the Editor of newspapers, call-in radio and TV talk shows, laying out the plan described by Michael Younger at the UFO meeting in California. Sure it is far out and incredible, but it will make great conversation as a "possibility" and the word will get out to many! ED.]*

**Inform Others Now! Don't Wait for Events to Happen!**

This Awareness indicates that entities can see for themselves whether this plan is being carried out or whether it is not happening and will know at the time that it either was false, or that it was defused. This Awareness indicates that the importance of knowing ahead of time is that you have the ability to recognize when something begins to happen as foretold, that it must reflect on the message which was given earlier and verifies the earlier message, but if the message occurs, explaining the plan after something has happened, entities will say: "Well, sure that happened already, but maybe the story didn't get formed until after the so-called plan had already begun."

This Awareness indicates therefore, if you wish to inform others about the possible plan and its possible effects, it is best to let them know about it *before* the events begin to happen, rather than after.

This Awareness indicates that essentially, there is in some sense a reality to this that needs to be attended. There is also a feeling of unreality which would suggest that the events may never transpire as planned. It appears the difference may lie in whether enough people find out about the plan ahead of time, as it seems the plan may never be carried out if it is perceived by those planners that there are too many who already know about the plan before it gets started

#### Groups who Particularly Need Contacting

This Awareness suggests that people who would be receptive to such information would be Jewish leaders, and people of the Jewish faith, celebrities of Jewish background; also blacks and black leaders, for all of these entities could help spread the information to defuse its potential.

Also, those entities of a military background, especially those who fought in World War II against the Nazis; such entities would be appalled to discover there were still Nazis active in this country actively pursuing their conquest dreams.

"The Milk Carton Kids and What the Nazis are Doing to them  
(Joseph Mengele, Hitler's Evil Doctor is Alive and Well)

This Awareness indicates there is seen another areas of the tape that the entity Mike Younger discussed; this related to what is termed the "Milk Carton Kids," the disappearing children of this nation whose faces appear on milk cartons. This Awareness indicates that *It* has in the past mentioned that some of these children have been abducted by UFOs. This Awareness indicates that according to this tape, and this appears to have some legitimacy, many of these children have been abducted by Nazis and it speaks in particular of a program by these entities which is directed toward mind control, whereby Joseph Mengele (sp.), the Nazi doctor that worked most closely with Adolf Hitler, was not yet dead as reports have indicated; that the reports were verified by certain Zionists and that the Zionists themselves were part of the conspiracy to hide the fact that Mengele was still alive and operating a mind control program in Florida.

The Jews, of course, do not know about this; that there must be some understanding that Zionism is not equated to Judaism. The Jews of course have suffered enormously at the hands of Nazis. This Awareness has indicated previously that Zionism helped to set up Hitler in Nazi Germany, to bring about the Nazi Germany of the thirties and forties and that Judaism was not part of this other than that they became the scape-goats for the Nazi pogroms.

This Awareness indicates that there are certain entities who were of Zionist background that helped to cover the lie that Joseph Mengele had died and that his remains had been found and tested and believed to be true, while in fact the real Dr. Mengele was still operating a mind control center in Florida, which specialized in manipulating the minds of children.

#### Children Forced Beyond Pain Threshold by Evil Nazi Drug

This Awareness indicates that the idea of dealing with children fascinated the Nazis because their minds were already easily controlled and easier to alter than were adults. Plus, they had the ability to control them with greater ease because of size, and also they had the ability to use a mind-controlled child according to the way they

One of the Nazi's many propaganda posters leveled against the Jews.

chose over as long a period of time as they desired, thus, this Doctor, working with 300 other scientists on these projects, developed a certain drug that could be used on children, whereby severe pain and torture, where the child would normally black out, and become unconscious, the doctor could administer or inject the drug and it would keep the child from blacking out, and thus the doctor could then inflict greater pain, going far beyond the threshold of human endurance, which in turn would allow the mind of the child to become totally wiped out, a total blank so that the child forgot identity, forgot personal identity, forgot even how to add or subtract or carry on conversations.

#### Mind-Controlled Children Used as Sex Slaves

The child would need to be totally programmed from the beginning, starting from a blank consciousness. This technique of brainwashing or mind control allowed them to create whatever kind of person they wanted. They created many of these children to become sex slaves for their own kind, and those children then became used by others for as long as they were wanted, to be disposed of when the entity was tired of them or finished with them.

This Awareness indicates that according to this entity's tape, the being responsible for distributing the children among various Nazis for sex use was named Larry King, not the Larry King of the television and talk-show host, but a younger man, a different person, who would barter in human souls and sell these children to men for sex purposes, for parties or for whatever, allowing them total ownership of the child as though the child were simply an object.

The entities were free to destroy the child or to keep the child. This Awareness indicates that some of the children were used for satanic purposes according to the tape. They were used for satanic rituals which in some of the rituals included being skinned alive and having the heart pulled out of the child while the child is still living.

This Awareness indicates that the entity Larry King would sell these children, making huge amounts of money for these various purposes, and if the children did not work out, they were simply disposed of. In many cases, if they were brought back to be disposed of, they would be sent to the Atlantic Richfield complex in New Jersey and the complex would work with the children to try to salvage them.

#### Atlantic Richfield Complex Scene of Mass Child Murders & Burials

If this did not work they were simply taken out into the back area and shot and put into a trench which had been dug by a bulldozer and the bulldozer would then move dirt over them. This Awareness indicates the entity Mike

Younger, speaking of this, told of how he and his lawyer had infiltrated the Nazi groups and had gone to the New Jersey Atlantic Richfield complex to a meeting of Nazis and throughout the day they kept hearing intermittent shots.

They did not know what those shots were until they were taken to another place overlooking the site of the complex and they saw the children being taken out, forced to kneel down by the trench and shot in the back of the head with .22 pistols. After three or four would be shot, the bulldozer would move forward a few feet, covering them, and then the process would begin again. Each time a few would be shot and fall into the trench, and the bulldozer would move dirt over them.

#### Videotape of Atrocities Shown at UFO Meeting

The entity, speaking to a group of approximately 200 or so people in Arcadia, explained all of this; the lawyer who had accompanied him became so frightened of the story and of the events that he decided himself not to talk in person, the next day when he was scheduled to speak, but instead to present a video tape.

He was convinced that if he showed up there, he would be killed. This man, being Jewish; the Jewish attorney decided that he would be killed if he showed up there and thus, left instead a video-tape describing this incident and the treatment of the children who had disappeared.

The term "milk carton kids" was a derogative term used as a joke by these Nazis because they never returned and they thought this was a rather funny way of describing the kids. The fact that their pictures were put on milk cartons did not help the children, but the Nazis did believe it showed some kind of effort by the society, which had been lacking previously.

They did not admire the fact that an effort was being made to locate the children, but they thought it was a joke to have their faces plastered on milk cartons, when they would never be seen again.

#### A Nightmare from Childhood Come Back to Haunt Us

This Awareness indicates that for those who do not recall the atrocities of World War II, these things may seem unbelievable. For those who were around during World War II, these things may seem all too real, much like a nightmare from childhood that comes back to haunt you.

This Awareness indicates that the effort of this entity to get this information out has essentially guaranteed that unless somehow he can escape beforehand, that he will not only be killed, along with his family and associates, but that he will probably be tortured also. It is not a light matter.

This Awareness indicates that according to the entity, even those who have done far less, but who are perceived as being potential threats to the New World Order of the Nazi plan; these too will be killed along with their families. The idea is to leave no one to complain.

The plan would eliminate any patriot or any person who might object to whatever is in the plan. This Awareness indicates that the plan calls for completely destroying all persons who hint at or are remotely perceived to be a resistance or problem, now or in the future. This leaves a great many Americans as victims.

#### Flee or Fight. That is the Question

The concern is whether to flee or to fight. You have a choice. Can you retreat? Can you hide and survive? Can you look innocent while they search your home to see what you read, to find out what your philosophies are, to find out what kind of behavior you exhibit? Can you be assured that they have not already compiled a record on you for what you purchase and read from the supermarkets or from what you receive in the mail?

# FRAUEN,

so geht's euch im  
»Dritten Reich«!

»Die Frau muß wieder Magd und  
Dienerin werden« sagt die Naziführer  
Feder. Deshalb ist auch in der Haken-  
kreuztraktion keine Frau vertreten.

Eure Antwort:

## Kampf den Nazi - - für die Sozialdemokratie!

Women, this is your role in the 'Third Reich'

There is no way you can be certain that they do not already have your name on the list. The problem with fleeing is that you are constantly trying to find a way to survive in a hostile world. If you manage to survive by following somehow a pattern of life that showed you to be a complete dullard and a totally harmless person, you would still eventually reach the point, the place where you would be required to take the Mark of the Beast, to be implanted and used as a slave.

Your quality of life may become worse than death itself. In becoming a slave you might find yourself being injected with drugs until you are a drug addict and then told you must work 16 hours a day in order to get your next 'fix', and thus you work yourself to death for the Nazis, so that they might have more of what gives them pleasure in their sadistic and satanic dreams.

This Awareness indicates that the alternative to running is to be aggressive, to fight. But to fight with nothing to fight with, as one individual; what can you do? This Awareness indicates that there is very little that any individual can do when it comes to fighting an army.

#### United Nations Troops are Butchers not Saviors

This Awareness wishes to discuss briefly the nature of the United Nations armies. That during the presentation in Arcadia, a film was shown in which the United Nations armies were brought into a West African nation to bring peace. They encountered several hundred civilians and thus, opened fire on them with machine guns and rifles. Vividly shown in the film was one lady carrying her child. The head of the child suddenly exploded as a .30 caliber machine gun bullet blew it open like it was a watermelon, and then another bullet struck the mother and she fell down.

The masses, the several hundred women and children eventually were all slaughtered by the United Nations troops who had come to bring peace, and they joked and laughed about their job and how they had completed that and now must get on and find others. The film itself had been brought back to be put on television to alert the masses but no station would allow it to be shown, and thus, the film was presented at this meeting and was made available for individuals to purchase, but such does not allow the masses to know what really occurs with these mercenary United Nations troops who are basically working for the Nazis, the Rothschilds and the Rockefellers.

This Awareness indicates that if you think the United Nations troops are reluctant warriors only trying to bring peace, you should perhaps order this film and think again.

This Awareness indicates that *It* does not wish to unduly frighten entities or to create unnecessary alarm. *It* is simply telling you that the plan was exposed at a UFO convention in Arcadia, California. There were several hundred people present. When someone asked: "Does Bush know he is the target for assassination in March?", Mike Younger answered: "He does now! He knows that his Vice President is behind it!"

This was implying that because the information had been made public, George Bush surely would find out within a short time what was in store for him. The effect of this warning would either cause George Bush to work all the more hard to bring off this One World Order prior to March, so that there would be no need for his assassination to get it happening, or it would cause him to do something desperate to perhaps lose the election or escape the situation or throw a monkey-wrench into the plan so that nothing of the sort could occur.

This Awareness indicates only time will tell what happens in that regard. This Awareness indicates that the telling of this information by this entity Mike Younger, is assurance of an attempt by these forces to kill the entity. The more it is repeated by masses of people, the less danger to the entity.

#### 1.6 Million Nazis Now in the United States

The entity may survive if enough people spread the information far and wide to the point where those involved in this plan do not know whether their chances for success have been damaged by the spread and exposition of the plan. If it has been exposed in great magnitude to the masses and too many people know, then those who are involved; incidentally, there is a total of about 1.6 million Nazis in the United States, and if these entities who are obviously in the minority have their plan exposed in great number, then the situation may reverse and frighten those who are working on the plan enough that they back off and wait for another time.

#### If 'Revelations of Awareness' Ceases Publication

This Awareness indicates that indeed, if the entities herein present: the Interpreter, the editor and Vikki T. should by any chance in the near future cease to function; if the publications cease to be mailed out, you can bet your booty that it was because this message exposing the Nazis in this country; helping to spread this information was the cause of their demise.

This Awareness suggests that anyone who has Nazi background, who thinks they can destroy these entities without it being obvious may find that it backfires on them and that the Nazi party will be even more exposed at the demise of these entities. This Awareness indicates that *It* will take steps to protect the entities so that they become even more dangerous to the Nazi party in death than they are in life.

This Awareness indicates that this may be extended also to those who make copies of and distribute this information to black and Jewish leaders and to individuals and celebrities and to the local police forces. This Awareness suggests that the distribution of this information to intelligence agencies would be futile and detrimental in that many of these entities are part of the Nazi party and are involved in the Nazi party.

"No! I will not be intimidated!"

#### "GATHERING STORM" SCENARIO IS UPDATED (Why Cosmic Awareness Evaded Questions on Nazis)

##### FOLLOW-UP QUESTION:

Awareness, this sounds an awful lot like the *Gathering Storm* information with some added characters. It basically is, isn't it, just updated 16 years?

##### COSMIC AWARENESS:

This is in the affirmative. It has simply brought the focus into a deeper level. This Awareness indicates that *It* could not conceivably have given all of this prior to the release of the *Gathering Storm* information and the release of information pertaining to UFOs. *It* can only give entities a certain amount of information, according to what they have adjusted to, or have become accustomed to in their level of acceptance.

Can you imagine what such a message would do to entities who have not previously even heard of such conspiracies as UFOs or the things discussed in the *Gathering Storm*? This Awareness indicates that it is very difficult to separate all of this into separate topics, to discuss the UFOs without discussing the rest, but it is also necessary so that entities can devour what they are capable of devouring at the time.

They may then later become capable of devouring a little more.

#### TIME TO SPREAD THIS MESSAGE FAR AND WIDE NOW !

##### QUESTION:

Does Awareness have a closing message?

##### COSMIC AWARENESS:

This Awareness indicates that the more this message can be spread to alert the masses, the greater the chance of preventing this plan from being carried out. This Awareness indicates the entity Mike Younger also indicated that there were further efforts on their part to prevent this plan from being carried out. The people whom he works with have been working to expose George Bush in his Iran/Contra connections and his dealings with his brother in illegal operations in Japan, in hopes that these things will eventually cause enough people to question him and not vote for him.

This Awareness indicates of course, this may be too late. The elections may even be called off. Therefore, this may not be the way. It may not be that if the United Nations forces are on the soil and the fake invasion has already been pronounced, that the people would care about such incidents.

This Awareness indicates therefore, their efforts may be futile. One thing mentioned on the tape was that the people should write their Congresspeople. That in writing to Congress, the staff receives the letters, and the staff can learn what's going on, and that they may indeed quit their job or start publishing information on their own, as occurred in the past when Dr. Beter asked the people to write to their Congressmen.

Mike Younger a Former Dr. Beter Source of Information

This Awareness indicates that it appears this entity was connected to the group that supplied Dr. Beter with much of his information. That there are quite a number of these entities working to try to bring intelligence agents over to the good side and trying to bring military leaders over to the good side, and that there are quite a few people (this in reference to great numbers of people), within the intelligence and military groups who know what is going on, and who simply don't like it, and that these entities are preparing their own plans to counter this plan if it is indeed carried off.

So, entities should not think that they are alone. This Awareness indicates the action of communicating a threat such as Paul Revere, may be the most important action in dealing with that threat. Thus, if entities can pass this information far and wide and ask others, likened unto a chain letter, to pass it on, then it becomes a powerful weapon in defusing the plan.

There will be many who think it is impossible. It is unbelievable. It is incredible. But there will be some, who, when they begin seeing it transpire on their television sets, who say, "Oh, no! It can't be happening in this country!

But it is!" and they stop the action. This Awareness asks, can you imagine what might have happened if in Germany, in the year 1939, in July or August, if people had known of the planned invasion of September '39, when Hitler and

Germany went against Poland, if they had known what was in the cards for Germany during the next several years, what they might have been able to do by spreading the word to the masses?

#### September First a Nazi Anniversary

This Awareness indicates that it becomes clear why September was picked for this UN invasion. It is a kind of birthday for World War II. It would be the 53rd birth-date. This Awareness indicates that September was the month that World War II began. The exact day appears to be September 1st, and it appears that this could be the day which George Bush would use to call in the United Nations troops. This Awareness indicates that this is not certain. It would be symbolic.

( *The Law of Gratitude is given* )

ED's Note: For this final piece of the puzzle to make real sense, please revue "The Gathering Storm" (79-1); \$5.00 from CAC. From the very beginning, these energies out of Orion, have been aimed at setting up the 'Mark of the Beast' system, to make the 'Book of Revelation's scary predictions come true. Awareness has exposed the various schemes, presented the various scenarios as the years went by and the situation and the players in this cosmic drama changed. Today, another opportunity has been presented and since these forces can no longer polarize the West against Russia, trigger a devastating nuclear war, it has seized upon the present opportunity wherein economic depression and a growing polarizing in America against minorities, can create such dire conditions in America that the public will actually allow the president to call in UN troops to restore law and order. It is important to you all to review what Awareness indicated in the "Gathering Storm" material, in regard to the consequences of your soul, should you willingly accept the mark of the Beast. The true nature of the Beast is revealed: it is the Reptoids from Draco who will attempt to enslave mankind and our Earth, with the aid of the Nazi conspirators.

In less than 8 years, the year 2000, when all this comes down, will have arrived. For the benefit of all humanity, now and to come, let's all do what we can to frustrate this evil scheme before it's too late. If they can't pull this one off, what will they think of next? No matter what it may be, the 4th Reich will experience the same fate as the 3rd Reich. (Avaton)
