THE WISDOM OF AWARENESS

ON THE AWARENESS MESSAGES: (80-2)

"This Awareness asks that you read the material which this Awareness presents, look at the concepts, then throw away all the words and *feel* what is meant."

ON FORGIVING MISTAKES: (80-8)

"...Recognize the divinity within yourself that forgives and allows you the right to make mistakes."

ON THE GOD-SELF WITHIN: (80-8)

"...the God-Self within entities does not demand perfection, it simply gives guidance and assistance so that entities may move toward perfection."

ON WARNINGS AND PREDICTIONS: (80-8)

"...the very purpose of a warning is to rally assistance to change that which is threatening."

ON FEAR: (84-18)

"This Awareness indicates fear is the only enemy to enjoyable experiences."

ON UNIVERSAL LOVE: (84-18)

"...the greater love is that which recognizes the Divinity behind the mask and behind the act or role of the player, the entity who is the actor, rather than the character being portrayed: acceptance of the actor rather than the character being portrayed."

ON CONFUSING THE CHRIST LIGHT WITH THE BODY: (82-23)

"...the Christ Light of Celestria must not be confused with the body, the flesh and bones of the entity who represents the physical Jesus, or the physical Buddha, for it is not the physical body that is of great significance, rather, it is the Christ Light expressing through these entities which is of significance, for the Christ Light as that which can come to *any* entity who is open to receive this."

ON THE MOST IMPORTANT FREEDOM: (82-19)

"This Awareness indicates the freedom to think as being the most important freedom any entity can have, yet many entities do not realize that their freedom to think has been taken from them by past experiences, teachings, beliefs and programming..."

WHAT IS COSMIC AWARENESS

COSMIC AWARENESS is the Force that expressed itself through Jesus of Nazareth, the Buddha, Krishna, Mohammed, Edgar Cayce and other great avatars who served as 'Channels' for the 'Heavenly Father' and who speaks again today as the world begins to enter the 'New Age' of spiritual consciousness and awareness. Since 1963 Cosmic Awareness has been communicating through carefully trained channels. This information is for those who desire to help in bringing in the New Age. Throughout the thousands of 'Readings' given through these various channels, Cosmic Awareness tells us not to believe anything, but to question, explore, doubt, and discover for yourself, through your own channel what is the truth. Cosmic Awareness will only 'indicate' and 'suggest'. Neither C.A.C. or any of the Interpreters is responsible for anything Cosmic Awareness states in any of these readings, nor does C.A.C. or the Interpreters necessarily agree with the statements of Cosmic Awareness. The Interpreters interpret the energies as they see them in trance levels and are not personally responsible for what is said. The Interpreters published herein have no connection with, nor control over the editorial comments and material, including illustrations. This is entirely the responsibility of the editor. Members of C.A.C. are invited to send in questions of general interest to ask Awareness for possible publication in this newsletter.

The Interpreter for the readings in this issue of "Revelations of Awareness" is Paul Shockley.
