OF THE LETTER PEH

PEH : THE MOUTH, another clear portrayal of its meaning. The Mouth opened in speech, giving expression to ideas, framing concepts into words. "EMPHASIS, SPEECH," are the Key-words. In shape it closely resembles KAPH, assimilation, but a small YOD depending from the top left end of the YOD along the top line of the Great Square, fills the top left lesser square, the tongue as speaking. PEH is less rounded than KAPH, its three sides lying along the edges of the Great Square. An emphatic sign.

PEH is associated with MARS in symbolism. MARS is a highly active Sign, and as a Double Letter, PEH has dual meaning. "GRACE AND INDIGNATION" the Key-words, which respond to a little reflection. MARS, like SPEECH, can be highly destructive. Mars is a fiery Sign, yet rules Water in Scorpio, NUN. FIRE + WATER = STEAM, VAPOUR, AIR, CONSCIOUSNESS, He who treads this Path will be well aware of the explosive nature it traverses; of the destruction it entails of misconceptions.

Read Genesis eleven verses 3 - 7. The reaction to the Path of AYIN is often a determined effort to formalise a doctrine. "Go to, let us make bricks (FACTS) and burn them thoroughly - - - let us build a city (philosophy) - - whose tower may reach heaven".

MARS in PEH destroys it and "Confounds their language", PEH, the Mouth. Consider well this parable. There is a sense of desperate despair when "Babylon is fallen." When the BABEL of VOICES bewilders us. (Babylon does not appear in the Hebrew text, BABEL is the word used.) Our massive pile of proven "Facts" must shatter to let us free of its confines.

This occurs at the purely mundane level, when we meet a situation far beyond the scope of the educated intellect. The bubble of our pride is pricked. Conventional methods of expanding our minds just do not work - but the pressure remains! Intellectual pride dies a hard death. Being Right won't work! Not a happy step, this one, but very practical.

PEH Final, retains the YOD in the Throne of the Son, but then runs straight down into the Universal Unconsciousness from the Throne of the YOD. "And the Word was made flesh - - ", "He descended into hell- -". That which is hidden shall be made known. The numerical value of PEH is 80; 800 as Final.

Speech petrifies into dogma and dies, says PEH Final. Unconsciousness seeks expression, also says PEH Final. A Double Letter.

Most Letters start in the top left square, the Chamber of the Son. "In the beginning is the Word, and the Word is with God and the Word is GOD All things were made by Him . . . In Him is Life, and the Life is the Light of Man . . and the Word is made flesh and dwells among us . ." (John 1:1-14.)(14=NUN).

In the Path of PEH, Mars, a flash of light blasts old thought patterns, making way for new concepts.
