DIAGRAM 1

MAGICK WITH PLAYING CARDS

To undertake the rituals within you will need:

An ordinary pack of playing cards (use a new set, not a used one)

Three red candles and holders (red is the colour of power)

A lighter or matches

A small table

A comfortable chair

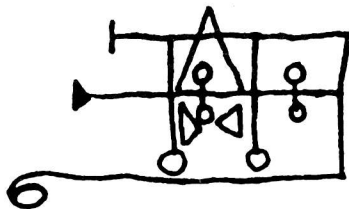

And a quiet room in which to perform the rituals.

Put the candles into their holders and place them onto the table in the order as shown in Diagram 1. Sit down next to the table and place the desired card in the centre of the candles, also as shown in Diagram 1. Sit quietly for a few minutes; breathe slowly and deeply. When ready, light the candles and repeat the following invocation out loud. Whilst doing so, visualise in your mind's eye a golden aura slowly materialising around the card. The golden light gets much brighter until the entire card glows.

'O Lord of the universe, give unto me the object of my desire. Activate the powers that are contained within this magickal card, let it be a magnet to attract all the things that I am wishing for and see that I am not kept waiting for long. This is what I desire: (state your desire as specifically as possible).'

After the invocation sit quietly for a further ten minutes, always visualising the golden light covering the card and the object of your desire fixed within your

mind. Then extinguish the candles and print the following symbol onto the reverse side of the card:

The card is now ready for use. Simply carry it with you at all times until you receive the object of your desire, which should be obtained in a very short space of time. When you have finished with the card it is to be burned in a naked flame and the ashes sprinkled into a running stream, the entire ritual is now completed. You now have great power, use it wisely.

MAGICK WITH THE TAROT

The only items that are needed to perform tarot magick are a set of tarot cards and a yellow or gold coloured marker pen. There are many tarot sets available, take your time in choosing one which feels right for you. When you have chosen the appropriate card(s) with which to work magick print the following symbol onto the reverse side, this will activate the dormant powers that are contained within each card:

The card is now activated and ready for use. Simply carry it with you at all times; do this until you receive the heart's desire. This should be obtained in a short space of time, usually within a fourteen-day period. Always keep the object of your desire firmly fixed within your mind whilst working with any card. Once your objectives have been achieved and you no longer need to use the card you are to place it between your cupped hands and slowly repeat the following chant a total of twenty-one times, this will shut off its power flow thus making it inactive: 'ASHAGANNA'. If an already used card is needed again at a future date all that is needed for it to become activated once again is: place it between your cupped hands and slowly repeat the following chant a total of twenty-one times: 'KUMACK'.

Thanks to the Five of Pentacles I easily gained entry into the akashic library. As a result of this I now have information concerning my future incarnation. Mike, a friend of a friend, is now able to see and interpret the human aura thanks to the King of Swords. Since working with the Ten of Cups I have achieved just about everything I could ever want or need.

ASTRAL SYMBOLS

The symbols herein were revealed to me during a series of lucid dreams over a period spanning five weeks.

Instructions on how to use them were dictated to me, through the phenomena of automatic writing, by a spiritual guide.

MAGICK WITH THE SYMBOLS

Each of the following symbols are to be printed in blue ink onto a lime-green coloured piece of card. The card should be approximately seven inches by seven inches in size. When printing the desired symbol it is very important that you leave a border of 1 inch around the edge of the card. When you have completed this find a quiet room in which you will not be disturbed. You will need a straight-back chair on which to sit. Sit down, keep your spine erect, breathe slowly and deeply, relax completely. Hold the symbol out in front of you at arm's length and peer deeply into it, never at any time straining your eyes. Observe the symbol thoroughly, from top to bottom, left to right, do this for a total of twenty minutes. Whilst doing so keep the object of your desire firmly fixed within your mind for the whole duration of the exercise. Note how the observation of the symbol makes you feel. Each symbol will produce different states of mind because to each one is attached a slightly different energy or power. When you have completed the ritual, place the card in a safe place, then go and continue with your normal daily routine. Repeat the exercise once a day, at a time convenient to you. Do this for ten days, by which time you *will* receive your heart's desire. However, if you feel more time is needed, please feel free to continue. In my own experience it usually takes about seven days to obtain what I am wishing for from these symbols.

The ritual is now complete: simple, practical and effective. Now put the symbol away in a safe and private place ready for future use, if the need arises.

USE OF THE SYMBOLS

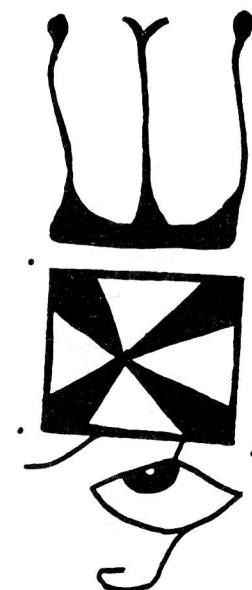

- 1 – Use this symbol for financial gain. Use also for success in any game of luck such as horse racing, pools, bingo, lottery, etc.
- 2 – Use this symbol to detect enemies. Use also to return any negative spell that has been cast against yourself back to the sender.
- 3 – Use this symbol to summon your guardian angel to appear before you. Only use when his services are absolutely necessary.
- 4 – Use this symbol to detect any lost or stolen objects (you will receive a vision of the object's location).
- 5 – Use this symbol to gain entry onto the astral realms. Use also for the ability to lucid dream (to become conscious within a dream).

- 6 – Use this symbol to communicate with departed spirits or angelic forces. Good to use in seances.
- 7 – Use this symbol to gain the love of a specific person or persons.
- 8 – Use this symbol to excite sexual desires between lovers. Use also to gain a speedy conception.
- 9 – Use this symbol to gain protection from divine sources against evil forces. Good for both physical and psychic protection.

Wash Away Your Worries

Flush bad luck out of your life! *Drink in good fortune, health, happiness, and limitless abundance!*

REVEALED IN NEW BOOK 'WATER MAGIC' WHICH SHOWS HOW TO USE THE SPIRITUAL POWER OF WATER IN YOUR OWN HOME OR PLACE OF WORK TO BRING WHAT YOU SEEK IN LIFE. No complicated rituals. No mumbo jumbo. All you need is a cup or jug – and water!

Water Magic can:

- * BRING BADLY NEEDED CASH – WITHIN HOURS!
- * BRING RELIEF FROM PAIN – WITHIN MINUTES!
- * BRING SOMEONE TO LOVE YOU!
- * BRING PROTECTION OF HOME & POSSESSIONS!
- * BRING REJUVENATION OF BODY!
- * BRING WINS AT BINGO & RACE TRACK!
- * BRING PROTECTION FROM EVIL!
- * BRING BACK A DISENCHANTED LOVER!
- * BRING LUCK OVER AND OVER AGAIN!

All Martha had to do was sprinkle her purse with water when she recited the special words in this book.

That very day Martha returned home with three times as much in her purse as when she left!

Jenny, cursed by chronic pain in her hip experienced immediate relief after she performed the jug and water rite in this book!

Sue, broken-hearted by her fiancé's calling off their engagement, turned to the magic power of water, and that very same day he called begging her forgiveness! She performed the water rite again, and a month later they were married!

But why should so seemingly a foolish and superstitious faith in the power of water make such an impact?

Simply because water is imbued with a spiritual and magical power which no other substance possesses.

In drought people will kill each other for water. We cannot live without it. Two thirds of the human body is made up of it and almost three quarters of the earth's surface is under water.

Both religion and science – which can hardly agree on anything else – concede that life originated in water.

In the religious rites of every faith water is used as a purifier and as an agent for blessing and protection.

In the most ancient times people the world over believed in a Mother Goddess who came forth from the waters and created everything out of water.

In our mother's womb we are immersed in her protective fluid.

Small wonder that subconsciously we hold water with such regard!

RESULTS WITHIN HOURS

Now both women and men can begin

experiencing the material benefits of Water, Magic, thanks to this amazing new book!

You could find your most pressing problem washed away within hours.

Jim from Atlanta was miraculously helped by Water Magic. He was only one hour away from eviction from his home. With nothing left to lose he believed in the God-given power of water as he spoke the special words you will find in this book.

He was not turned out of his home. Fortunately Mae from Tacoma didn't face anything so serious. She enjoyed life's creature comforts, a nice home, and financial security. But she had no-one to share it with.

She performed the water rite on Monday. On Saturday the person of her dreams entered her life.

WHY THESE WATER RITES MUST WORK FOR YOU

Because water is so potent as a spiritual and magical metaphor it becomes irresistible. Mind power adepts speak of an 'Ocean of mind'; the invisible universe is conceived in terms of fluid movement. We speak of the thirst for knowledge or power as if somehow those things that cannot be felt physically must therefore be liquid, that is – water.

We instinctively know its not nonsense to say 'bathed in luxury' or 'flooded with work'. An abundance of water suggests an abundance of everything else. Earth – physical density – is barren without rain.

You can now receive and enjoy all the things you desire by using the power that brings them – physical and metaphoric water!

You only need a jug or cup – and water! – to make this magic happen!

NOTHING COULD BE MORE NATURAL – OR POWERFUL!

SHE CAME TO ME

'I sought the company of the most beautiful woman in our corporation. So incredible were her looks that she seemed like Venus incarnate to me. But I honestly felt I didn't stand a chance with her.

'She knew me, but it was obvious that I was about as important to her as a fly on the wall. I couldn't even begin to summon the courage to ask her out. But I was crazy about her and I felt miserable.

'Then I learnt about the power of water and how it can affect women.

'It seemed as if I was dreaming when the very day after using the water rite she asked me for a date!

'It was then I became a believer. 'That happened just a few months ago and the lady in question is now my steady date!'

This extract from a testimonial from a Montreal man is strong proof of the power of water in matters of the heart!

WATER WORKS WONDERS!

Nothing could be easier than the water rites in this book.

You don't need paraphernalia of any kind. No witchcraft or mumbo jumbo.

Even a child can perform the rites in this book!

They can be performed almost anywhere without attracting the undesirable attention of others. And there is absolutely nothing in Water Magic that will compromise your religious beliefs.

You will be amazed at the results – results which can sometimes manifest within a few hours!

The uses of Water Magic are without end. Think of what you want, adapt the appropriate rite to your needs, and then wait for the result! Water Magic can bring you:

- WINS IN GAMES OF CHANCE, LOTTERIES, AND POOLS!
- THE LOVE AND ADMIRATION OF ANOTHER PERSON!
- RELIEF FROM HEALTH PROBLEMS! (Even cures have been reported!)
- A FLOOD OF ENDLESS RICHES INTO YOUR LIFE! (Perform Water Magic regularly to achieve this!)
- STREAMS OF GOOD LUCK! (For making events flow to your advantage; let the tide of good fortune always be in your favour!)

Yes! Through the inexhaustible renewing power of the very source of life itself you can enjoy an ENDLESS FLOW OF GOOD FORTUNE!

Perform the water rites as often as you like to receive everything you desire!

THE MOST POTENT OCCULT SECRET EVER REVEALED!

PRANIC-ENERGY:

Mystic Powers of the Ancients

This extraordinary book by psychic researcher Julia Sanderson, based on 30 years of study and experiment, could easily be claimed to contain the most potent occult secret ever revealed to modern man. For here, in the pages of this exciting book, is the actual magick believed to have been practised by the fabulous Kahuna miracle workers of Old Hawaii and the temple priests of Ancient Egypt! After thousands of years of being lost in obscurity the very same, extraordinary magickal knowledge that enabled the Ancient Egyptians to amass unparalleled power and prosperity, and that was used by the Kahunas to perform their extraordinary healing miracles CAN NOW BE EMPLOYED BY MODERN MAN TO GAIN WHAT HE DESIRES IN LIFE!

Not only is this most potent of all occult secrets now available for use by modern man, but it has been reduced and condensed into one single magickal formula so easy to follow that even a child can use it!
