

Chakra Alignment

The cross has been hideously corrupted by Christianity. The equal armed cross represents the four corners/quarters and directions, such as when we summon the Four Crowned Princes of Hell during ritual.

The cross is a CONCEPT and, as seen in many of the Demons' Sigils. The cross shape is the correct alignment of the chakras on the inside. The correct alignment of the chakras IS IN THE SHAPE OF AN INVERTED LATIN CROSS. THE CHRISTIAN CROSS IS A CORRUPTION AND A BLASPHEMY. If you stand facing a mirror, this is the way your chakras should line up.

The inverted cross has long been a symbol in Satanism and for very good reason. The third chakra; also known as the 'Solar' chakra, the 'Sun' chakra; is also the all-important '666' chakra, as 666 is the kabbalistic square of the Sun; also represented by the swastika, which is an ancient symbol of the Sun. This chakra, NOT the heart chakra, is the powerhouse of the soul. New Age and related teachings focus on the heart chakra so that everyone is deprived of power and worse. The heart chakra is neuter, and mainly connects the upper and lower chakras.

Popular information readily available on the chakras is not only dangerous but extremely inaccurate. The other three are male and female pairs that should be matched as they work together.

As we know, the crown chakra is known as the 'thousand petal lotus.' The lotus is also known as a lily. Lily = 'Lilith.' In addition to each Demon as an actual living being, each Demon has his/her own spiritual message. Lilith rules the crown chakra. Satan rules the base. Both the base and crown chakras are a male and female couple and work together. That is one of their most important spiritual messages. This merging of male and female is the symbolism behind the illustration of Baphomet, who has both male and female organs, and also the ancient Egyptian Akhenaton, another hermaphrodite.

Now, with all of the repeated emphasis on the heart chakra by new age deluded fools [this is done purposely not only to keep people from true spiritual knowledge, but most importantly, from obtaining any serious spiritual power], when one advances enough in meditation and psychic abilities, one will find the yoni shaped heart chakra is the neuter. The yoni is the symbol for the vagina. The Christians have corrupted this, turning it onto its side into that foolish and most annoying fish symbol, which again, is a blasphemy to true spirituality and is like everything else in that foul program, stolen and false.

"...seven towers - the Towers of Satan [Ziarahs] -six of them trapezoidal in form, and one, the "center" on Mount Lalesh, shaped like a sharp, fluted point."

-- The Satanic Rituals by Anton LaVey

The above excerpt is also an allegory, as the center is the odd one out, the heart chakra. It does have power, but not the power of the strongest

chakra of the soul, the '666' chakra of the Sun. The powers of the heart chakra are minimal. This is why the enemy is always touting it in the mainstream books out there readily available to the public.

The energy uptake of each chakra is at the wide end and the energy output is at the point, also known as the 'bindu.'

So it would stand to reason that the chakras such as the third eye [DO NOT confuse this with the sixth chakra, which is BEHIND the third eye] need to have their wide ends facing outwards to absorb energy.

This definitely includes all of the minor chakras. You will find that after aligning your chakras correctly, you will feel more centered and healing and spellworking will come more easily.

All one needs to do is to turn the solar 666 chakra so the point [bindu] is facing DOWN. This is the swastika chakra, the Sun chakra. All Pagan religions preceding Christianity focused intensely upon the Sun. This is the powerhouse of the soul. Thor's Hammer was originally in the shape of an inverted cross. Our earliest beginnings and life come from our naval, and the Sun chakra, the giver of power and life is centered behind the naval. This is where our main store of life-force/witchpower/vril/chi is located. The Sun chakra is paired with the 6th chakra and third eye, also known as the 'command center' which is female.

Now, popular writings tout the heart chakra as the 'seat of emotions.' Again, this is another major misconception. The throat chakra is the seat of emotions. When we are sad and about to cry, the feeling is from the throat, not the heart. The same goes with happiness. Be aware of this. Both emotions come from the throat chakra.

The all popular hear shape, again, this is not of the heart. Its being touted as a symbol for the heart is again, corruption. This is to mislead you. The

serpents cross, these are symbolic of the ida and pingala nadis of the soul. They cross on the throat chakra and swoop in the shape of a perfect heart to meet at the tip of the nose, forming a heart shape across the face. The popular arrow through the heart symbol is for 'fixing the energy' representing the risen Serpent of Satan.

The number 666, the inverted cross and all symbols of Satan are extremely sacred and carry a hidden message.

Now, when directing energy as you would for spell work, so to speak, the chakras can be temporarily reversed so their points are facing out to deliver the energy. Remember, never connect with any negative energy, such as when working black magick. In other words, the negative energy should never run through you, but be external at all times. When working with positive energy, such as attracting your desires, it is favorable to point the chakras out and connect. Always remember to correctly realign your chakras after any work. Incorrect alignment of the chakras reduces your witchpower and can bring about diseases and illnesses.

Research and revelation from Thoth has revealed the true 8th and 9th chakras are the shoulder chakras. Opening these will align the soul and drastically open energy pathways to the palm chakras, greatly empowering them. To open your shoulder chakras, all you need to do is to visualize them as in the illustration on the right. Focus and meditate on them for a few minutes. A feeling of aching, or pressure is a positive sign you were successful in opening them. This feeling can extend to your arms and can feel sort of like they are falling asleep. When the shoulder chakras are fully empowered, the wings of the soul manifest.

Always remember, when your chakras have been successfully opened and are active, you will feel them. This sensation is usually a feeling of pressure, a slight aching or tingling. Correctly aligning the chakras will drastically increase your power.

1. Begin with the base chakra and turn the cone so the point is upwards.
2. Do the same with the sacral chakra [2nd].
3. Now focus on your solar '666' chakra and turn it so it is pointing downwards.
4. Do the same with your sixth and throat chakras- turn them so they are both pointing downwards.
5. Now, focus on your heart chakra and visualize two points coming together and intersecting as shown immediately below here.

6. Focus your attention on your crown chakra and turn the point down.
7. Finish by again focusing on your shoulder chakras and visualize them pointing inward.

Azazel's Sigil is also representative of the shape of the heart chakra.

The three equal armed crosses, as seen in Set's Sigil at left, represent the three chakra pairs.

I also believe this was the message of the three pyramids at Giza, Egypt, as they are shaped as the chakras.

Astaroth's Sigil at right illustrates this concept with the bars on each side.

The hip chakras are the same on each side and at the center of the hip, standing sideways, as seen at left.

The temple chakras are located right behind the temples, as shown on the left, a bit forward from the tip of the ear.

When you successfully open and align these chakras, you will feel a pressure sensation or a dull ache, as with the third eye and other chakras. This is a positive indicator that they have been correctly located and activated.
