

"Cool Dude" Spell

A spell for self-love and confidence with a little help from your favorite skeleton. Unless your favorite skeleton is Sans, in which case you'll be assisted by your second-favorite skeleton.

You will need:

-your favorite cologne or perfume

-a funny t-shirt

-spaghetti ingredients

Dab scent behind your ears, put on the t-shirt, and look at yourself in the mirror. Say "You can see your reflection in a puddle, but... don't let a body of water determine your self worth!"

Make some spaghetti. Infuse it with happy feelings, kindness and fortitude. Use whatever recipe you want. As long as your house doesn't burn down and your dinner is edible, you're meeting all my

standards.
