~~ *Believe In Yourself And Make It Happen* ~~

WHY MARCH 4TH IS SPECIAL??

Was the Beginning of a New way
A place Founded on Peace Love and Sharing
Where like minded New or Old
Could come and learn or share their Knowledge
This Date marks the 2 years of this places existence
With the Idea and Care for others by one person
This person strived to make this place different then
others known
This person had seen them all and wanted a place for
everyone
With all her desire and hope to achieve this
And to this day March 4th is now 2 years this person has
continued this journey
Is so much to be said with all the times and lessons and all
those we have seen leave with more positive outlook is our
reward.

March 4th is the day Breeze signed up for Enchanted
Forest and has gave her all every since and will keep
doing so as long as she can. Huggs and Love you Breeze
and congratulations!!!!

~ ~ Hope ~ ~

What is hope.....

What hope means

Hope is bright shining light which keeps darkness at the bay

Hope is gentle cold breeze on a hot summer day

Hope is to remain positive when going gets tough

hope is seeking more when others think u had enough

What hope means

Hope is dreaming of tomorrow

Hope is simmering under sorrow

Hope is sparkles when tears in our eyes

Hope is a beautiful thing & beautiful things never dies

What hope means

Hope is as light as a feather

Hope keeps all of us together

Hope is ubiquitous and free of cost

hope is the last thing ever lost.....

~~IF~~ by *Breeze*

~~It is Easy to Destroy and Breakdown People - I choose Love and to Build People Up - For Those who choose the Easy Option I Pray You Find Peace ~~

IF

IF you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:

If you can dream - and not make dreams your master;
If you can think - and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: 'Hold on!'

If you can talk with crowds and keep your virtue,
' Or walk with Kings - nor lose the common touch,
if neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And - which is more - you'll be a Man, my son!

Thank you Breeze from Shadow

First I wanted to Thank you for who you are Breeze..your a Wonderful Caring person and very patient.

I have seen you deal with things and handle them in ways I just couldn't.

You have taught me a lot about the NING platform .well everything actually I had worked with other social sites and .com's but was nothing like NING. And I wanted to Thank you for teaching me all that..

You have shown me ways that were very helpful although would still burn a tree or 2 occasionally . I think of how you see things and how you expressed to me in understanding..

In 2 years we have seen many come and go and had our rough times here off n on but we got through them and yet to this day we keep on..

How you still deal with certain situations I will never know..lol but that is the strength you have. where I lack in lots of patience.

You have givin so much of yourself and want to tell you its an awesome thing you do for this modern day World.. Modern day life which it misses out on so much.

Need to be more people in this World like you and then maybe we could get it on a better smoother track.

To me you're the most awesome person I have ever met..I have ran into many many people in my time but above all you have an understanding about people and life no other has,

So much more could be said .but I mostly wanted to say Thank you for everything you taught me here about Ning and dealing with people at times..not one of my best qualities, I have learned so much from you.

Thank you and Love you very much Breeze. Congratulations on the site being here 2 years!!!

Thank you

Shadow

A Big Thanks to the Members

Although Breeze planted the seeds to this Forest and I along helped her build it up. we started out with few blogs , few groups discussions and keeping members welcomed and helped them with information.

The members here have helped so much through time ..many have come and gone due to their pathway they had to venture down and many have stuck with us from the beginning..

And we want to Thank all who have been here and treated the Forest as a Family and others who have took their time out of their lives to share with others to help them advance in various ways .if only Words of wisdom or Advice.

We have been going strong for 2 years now .although Me and Breeze do what we do on site..it's the members Input and Time that has completed the Forest being what it is today and seeing so many leave or go about their lives with better understanding or able to see a new light at the end of the tunnel..

We as the Forest team will do what it takes or what we can to keep things going and continue helping whoever we can teaching, learning , sharing or even to have friends that many don't have in their surrounding communities.

So from the Breeze and Shadow we want to say Thank you very much its been great working with you these past couple of years and we will continue.

Thank you

Shadow and Breeze

Let Peace Prevail In This World.....

When you look for peace
then the peace lies within you
When you search for peace
then it is not hard to find
When you want to keep peace alive
then you allow white doves to fly over you
When you make peace with others
then the whole world live in your heart
When you let peace be in the world
then you live in wonderful world
When you allow peace flow around the world
then your hateness will go and love will flow
When you open the door for peace
then peace welcome to your lives.
Let the peace prevail in our wonderful world

Sunrise

The grey begins to fade,
As colour creeps from leaf to limb.
The light is slowly seeping up,
From beneath the earth's curved rim.

The sky blue strengthens slowly,
Glazed with hues of orange and red.
Slowly as the earth revolves,
The sun lifts up it's head.

Colours shimmer in the light
And shapes begin to unveil.
The trees and flowers separate,
With the dawn light rosy and pale.

The sun climbs higher in the sky.
It's light shimmering and warm.
All things now are clearly seen.
A new day has been born.

Hold fast your dreams

posted by Breeze when site first open

Hold Fast your dreams!
Within your heart
Keep one, still secret spot
Where dreams may go,
And sheltered grow--
Where doubt and fear are not.
O, keep a place apart,
Within your heart,
For little dreams to go!

Think still of lovely things that are not true.
Let wish and magic work at will in you.
Be sometimes blind to sorrow. Make believe!
Forget the calm that lies
In disillusioned eyes.
Though we all know that we must die,
Yet you and I
May walk like gods and be
Even now at home in immortality.

We see so many ugly things--
Deceits and wrongs and quarrellings;
We know, alas! We know
How quickly fade
The color in the west,
The bloom upon the flower,
The bloom upon the breast
And youth's blind hour.
Yet keep within your heart
A place apart
Where little dreams may go,
May thrive and grow.
Hold fast--hold fast your dreams.
