

Star Goddess

Am I not the Star Goddess? She whose feet walk upon the dust of Lights, wherein fly the Hosts of Heaven. Adore me, Worship me . Adore me oh men for thee can't take away the veil from my face. Isis I praise thee Isis I worship thee Isis Hekate Demeter Anahita I adore thee. Oh man all acts of worship are to love and beauty within thy rituals for I am the daughter of the flames whence all life began. I am bright and fertile I am dark and sterile. My womb take life and give life, my womb is a secret place , My womb is the Mother of Fate, it is my womb that decrees, it is my womb that maketh all laws and dedicates the Starry Wheel that doth turn in eternal circle. It is my womb that is the Circle of Birth and Rebirth. I am She through whom the earth was born, I am the Great Mother, whose bounty is manifest through the entire universe. It is I who manifests love and all that is the result of it. For all acts of love come from me and the earth dances and sings to my song. I am Queen of the earth I am queen of the starry realms above, my feet walk the stars, the milky way is my pathway from the beginning and ending of days. Adore me, worship me, adore me oh man for thee cannot take away the veil from my face. Isis , praise thee, Isis , worship thee. Isis I kneel before thee, let me look upon thee, Oh Isis Great Mother love thee. All the worlds are mine all galaxies are mine, the fertile earth is mine. Earthly child man of earth the earth is mine, the earth receives blessings that are from me. The earth receives my charity, my soul and spirit encircle Mother Earth and all her blessings are found within me. I am the Cosmic Mother, I am the Star Goddess, all the wonders of the worlds are within me, the stars and the heavens are contained within me. I am Isis, I am Hekate, I am Melusine I am Anahita Aphrodite Diana I am Arianrhod. .
