

Opening Ritual & Ceremonial Rite in Latin using Triangle of the Art  
from Soror Moonshee's notes

OPENING RITUAL + CEREMONIAL RITE IN LATIN USING TRIANGLE OF ART

1. Consecrate Water and Salt (2)
2. Summon the Watchers using the names of EUKUS etc.
3. Take Sword round a 2nd time, pentagram position at each  $\frac{1}{2}$ , invoking the names of YHWH etc.
4. Kabalistic Cross in E.
5. Take Water, Salt, Incense & Candle round, repeating conjuration each time.
6. Before the altar:-  
" Hear me, and make all Spirits subject unto me; so that every Spirit of the Firmament and of the Ether: upon the earth and under the earth: on dry land and in the water: of whirling Air and of rushing Fire: and every Spell and Scourge of God may be obedient unto me."

Continue:-

" Huc per inane advoco angelos sanctos terrarum, aerisque, marisque et liquidis simul ignis que me custodiant, foveant, protegant et defendant in hoc circulo."

In the EAST visualize RAPHAEL - standing on purple hilltop, pale yellow garments billowing in breeze:-

" Salve RAPHAEL cuius spiritus est aura e montibus orta et vestis aurata sicut solis lumina."

Visualize GABRIEL standing behind, in blue surrounded by cascading torrents of water:-

" Salve GABRIEL cuius nomine tremunt nymphae subter undas ludentes."

Visualize MICHAEL on his right in scarlet with a red-hot sword:-

" Salve MICHAEL, quanto splendidior quam ignes sempiterni est tua majestas."

Visualize URIEL on the left against a fertile landscape whose greens and browns are the colours of his cloak:-

" Salve URIEL nam tellus et omnia viva regno tuo pergredient."

Proclaim confidence in angelic protection:-

" Non accedet ad me malum cuiuscernodi quoniam angeli sancti custodiant me ubique sum."

Repeat the Kabalistic Cross.

Now 'see' a blue/silver curtain parting for GABRIEL:-

"Excubitores, in nomine GABRIELI,  
Fas mihi tangere lumina illa."

"Nescio quis sim,  
Nescio unde veniam,  
Nescio quo eam,  
Quaero, sed qui nescio."

Go to the altar & anoint with oil on forehead wrists and chin;  
also spine if sexual climax. Say:-

"Odoratis unguentis me unguo.  
Exsultat cor, fervent sensus.  
Membris venit vigor habilis,  
Et purificatus sum."

Step onto the Sphere of YESOD & comment on wonders:-

"Hanc regionem felix agredior  
Sub pedibusque miracula miror  
Fervet mens, exsultat cor,  
Et inter stellas progredior."

Approach relevant Sephira, asking admission of appropriate angels.  
1st visualize all colours & forms along way & say:-

"Dis immortalibus volentibus qui inter ignes sempiternos habitant  
precor a spiritibus sanctis ut progrediam ad \_\_\_\_\_ (sephirah)  
Ducite me, O Spiritus, per locos tenebrosos, sedes vestras."

Then:-

"Divum praecepta secutus sto,  
Ante alta ostia,  
Tremens vide video,  
Divum simulacra,  
Sec nomen \_\_\_\_\_ loquor,  
Et confidenter ingredior.".....Ring bell 10 times.

Go to the EAST & visualize angelic form in Triangle of Art. It may  
take other forms but every 2 mins or so bid it resume original  
form by pointing Sword at it & saying:-

"Te nunc transforma in formam vera,  
Quod eludet species mentem meam.".....Ring bell no. of Seph.

If form refuses to obey command it thus:-

"Mihi te est aequum parere,  
In angelorum septem nomine  
MICHAEL, GABRIEL, RAPHAEL, URIEL, KAMEEL, HANIEL atque ZADKIEL"

Dismiss Sephorotic form by:-

"Monstrum e locis emissum summis,  
Abi nunc ex oculis meis.".....give 3 x 3 knocks.

⌘

The next occupant of Triangle will be one of the planetary forms visualized in the usual way. When form has built up - talk to it. control it by saying:-

" Meae artis non immeritor,  
Et nomen Dei lente loquor,  
\_\_\_\_\_, \_\_\_\_\_, .....applying to particular Sephiroth  
Transforma te in formam veram."

Go to altar & apply fresh incense, saying:-

" In ignem iacto ungenta pretiosa, et mira somnio. Nam fumos  
somniaferos exhalat ignis et quae erant somnia vera facta sunt."

\* Now bid the force to go forth & fulfill magical intention.

Give the intention then say to form:-

\* " Effusus labor,  
Defuncta vita,  
Fiat nunc voluntas me."

Turn to WEST, kneel and whisper:-

" Defectus participes ritus sacri, scio desiderium animae a  
voluntatem labiorum meorum perfecta esse."

Now do Great Rite if included.

THE CLOSING OF THE CIRCLE

1. Give words of thanks:-  
" Sumpto caeleste auxilio vobis, N \_\_\_\_\_ et Nn \_\_\_\_\_ gratias humitifer ago"...thanking all appropriate angels etc.
2. Thank the elemental forces & dismiss them:-  
" In Dei sancto nomine  
- Gratias ago sine fraude,  
Umbris omnibus tenebris,  
Et lucem claram ferentibus.  
Hoc templo vos dimitto,  
Abite nunc opere facto".....while walking round Circle.
3. Thank the 4 Archangels whose receptive 'rays' were contacted earlier when visualizing their forms.  
Go to each  $\frac{1}{4}$  in turn saying:-  
" Ab incurso malevolorum me protexisti et munera ferentes venisti.  
Praesta, quaero, rex (E, S, W, N) ut custodiae munerumque causa gratias agens, beneficia etiam majora summa."
4. Pentagram position at each  $\frac{1}{4}$ , bid Watchers farewell in names of EURUS etc.
5. Finish with Kabalistic Cross in E.

## TRIPOD OF EVOCATIONS

Within the grand circle of evocations a triangle was usually traced, and the side to which the upper point was directed is important. If the Spirit was Benefic the operator places himself at the top and set the altar of fumigations at the bottom. 

The Sacred Symbol of the Seal of Solomon  must be worn upon the forehead & the breast, and graven in the right hand.

A Grangle often used is abra hadabra.
