MAAT'S Eternity Ladder - For Cord Magic 1, 2 and 3.

Take the WHITE feather, place on pentacle, R-hands on it:-
 " Isis and Osiris, Thoth and Maat, deign to bless & to consecrate this WHITE feather, that it may obtain the necessary virtue through you for this spell.

We shall add this WHITE feather to Maat's Eternity Ladder and hereby free this WHITE CORD from it's role in working FOR THE CHILDREN SO THAT THEY MAY FIND A WAY TO CHANNEL THEIR ENERGIES USEFULLY. By your virtues of love, beauty, goodwill, justice and truth, the magic shall be in force for a year and a day."

Repeat for the RED and GREEN cords, in the same manner, adding the feathers to the Ladder;

 " For Ian's mother, so that he who has been causing her unwarranted anxiety will cease, Forthwith "

" BLUE CORD - The Sky Goddess, Air, Rnctional healing "
 " For Chris, mat she may resist too much alcohol. "

Autumn Equinox 1985

Sit facing inwards.

Place dish, still covered in centre of Circle. Say:

" Now is the time of balance when Day and Night face each other as equals. Yet at this season, the Night is waxing and the Day is waning; for nothing ever remains without change in the tides of earth and sky.

Know and remember that whatsoever arises must also set and whatsoever sets must also rise. In token of which, let us dance the Dance of Going and Returning."

Dance slowly widdershins, gradually lead inward in a spiral until near centre. Then sit facing inwards about the covered dish. Say:-

" Behold the mystery; in silence is the seed of wisdom gained."

Take the cloth from the dish.

Contemplate the wheat for a while in silence.

Both rise - ♃ go to East, ♆ go to West.

Face each other and say:-

" Farewell O sun, ever returning light.

The hidden God, whoever yet remains

He now departs to the Land of Youth

Through the Gates of Death

To dwell enthroned, the judge of Gods and men

The Horned Leader of the hosts of Air.

Yet, as he stands unseen without the Circle

So dwelleth he within the sacred seed -

The seed of new reaped grain, the seed of flesh;

Hidden in earth, the marvellous seed of the stars.

In him is life, and Life is the Light of man

That which was never born and never dies

Therefore the Wise Ones weep not but rejoice."

Both raise hands in salute.

Go to the centre and dance slowly deosil, gradually spiralling outwards towards perimeter of Circle. Speed up pace, then: "DOWN!"

Replace dish with wheat on altar, cloth beside it.

Now recite the GREAT RITE.
