"Osiris Nu, triumphant, saith:-

OSIRIS

~  
X 15:15  
Positions.

"O thou land of the Sceptre! O thou White Crown of the divine form! O thou resting place of the boat! I am the Child, I am the Child, I am the Child, I am the Child!  
Hail, ABU-UR, thou sayest day by day: 'The slaughter-block is made ready as thou knowest, and thou hast come to decay.'  
I am RA, the stablisher of those who praise him.  
I am the knot of the god within the Aser tree, the doubly beautiful one, who is more splendid than yesterday. ...4 times  
I am RA, the stablisher of those who praise him.  
I am the knot of the god within the Aser tree, and my going-forth is the going-forth of RA on this day.  
My hair is the hair of NU  
My face is the face of the Disk.  
My eyes are the eyes of HATHOR.  
My ears are the ears of AP-UAT.  
My nose is the nose of KHENTI-KHAS.  
My lips are the lips of ANPU.  
My teeth are the teeth of SERQET.  
My neck is the neck of the divine Goddess ISIS.  
My hands are the hands of BA-NEB-TATTU.  
My fore-arms are the fore-arms of NEITH, the Lady of Sais.  
My backbone is the backbone of SUTI.  
My phallus is the phallus of OSIRIS. (My The Eye of Horus is between my legs.)  
My reins are the reins of the Lords of KHER-AHA.  
My chest is the chest of the Mighty One of Terror.  
My belly and back are the belly and back of SEKHET.  
My buttocks are the buttocks of the Eye of Horus.  
My hips and legs are the hips and legs of NUT.  
My feet are the feet of PTAH.  
My fingers and my leg-bones are the fingers and leg-bones of the bones of the LIVING GODS.  
There is no member of my body which is not the member of some God. The God THOTH sheildeth my body altogether, and I am RA day by day I shall not be dragged back by my arms, and none shall lay violent hold upon my hands. And shall do me hurt, neither men nor Gods, nor the sainted dead, nor those who have perished, nor any one of those of ancient times, nor any mortal, nor any human being.  
I am (S)he who cometh forth, advancing, whose name is unknown.  
I am Yesterday and Seer of Millions of Years is my name.  
I pass along, I pass along the paths of the divine Celestial Judges.  
I am the Lord of Eternity and I decree and judge like the God KHEPERA. I am the Lord of the URERET Crown. I am He Who dwelleth in the UTCHAT....I come forth and I shine; I enter in and I come to life. I am in the UTCHAT.

with sword.

Don P.C. My seat is upon my throne, and I sit in the abode of splendour before it.

HORUS I am HORUS and I traverse millions of years. I have given the decree for the stablishing of my throne and I am the ruler thereof; and in every truth, my mouth keepeth an even balance both in speech and in silence. In very truth, my forms are inverted.

I am UN-NEFER, from one season even unto another, and what I have is within me; I am the Only One, who proceedeth from an Only One who goeth round about in His course. I am He Who dwelleth in the UTCHAT, no evil thing of any form or kind shall spring up against me, and no baleful object, and no harmful thing, and no disasterous thing shall happen unto me. I open the door in heaven, I govern my throne, and I open up the way for the births which take place on this day. I am the child who marcheth along the road of Yerterday.

I am Today for untold nayions and peoples. I am He Who protecteth you for millions of years, and wether ye be denizens of the heavens, or of the earth, or of the South, or of the North, or of the East, or of the West; the fear of Me is in your bodies.

I am He whose being has been moulded in his eye, and I shall not die again. My moment is in your bodies, but my forms are in my place of habitation. I am He Who cannot be known, but the Red Ones ~~are~~ have their faces directed towards me. I am the Unveiled One.

The season wherein the God created the heavens for me and enlarged the bounds of the earth and made great the progeny thereof, cannot be found out; but they fail and are not united again. My name setteth itself apart from all things and from the great evil which is in the mouths of men by reason of the speech which I address unto you. I am He Who riseth and shineth, the wall which cometh out of a wall, an Only One who proceedeth from an Only One. There is never a day that passeth without the things which appertain unto Him being therein: passing, passing, passing.

Verily, I say unto thee, I am the Sprout which cometh forth from NU, and My mother is NUT. Hail, O M y Creator, I am He Who hath no power to walk, the great Knot Who is within Yesterday. The might of My strength is within My hand. I am myself not known but I am He Who knoweth thee. I cannot be held with the hand but I am He Who can hold thee in His hand.

Hail, O Egg! Hail, O Egg! I am HORUS, He Who liveth for millions of years, whose flame shineth upon you and bringeth your hearts to me. I have command of my throne and I advance at this season. I have opened a path and I have delivered myself from all evil things. I am the Dog-headed ape of gold three palms and two fingers high which hath neither arms nor legs and dwelleth in Memphis, and I go forth as goeth forth the dog-headed ape that dwelleth in Memphis."

6. LOVE THEMES

a) Love and the Seasons - Crowley

Place phallic wand in the centre of the Vortex. Both sit either side and contemplate, while reciting:

" Sweet, sweet are May and June, dear,  
The loves of lambent Spring,  
Our Lamp, the drooping Moon, dear,  
Our Roof, the stars that sing;  
The bed, of moss and roses;  
The night as long as death!  
Still breath!  
Life ~~awakens~~ awakens and reposes  
Love ever quickeneth."

b) I shall not tell thee that I love thee - Crowley

" I shall not tell thee that I love thee!  
Nay! by the star in heaven burning,  
It's ray to me at midnight turning  
To tell me that it beams above thee -  
Nay! though thou wert, as I am, yearning,  
I should not tell thee that I love thee!

c) I Know the secret thought that blossomed - Crowley

" I know what secret thought once blossomed  
Into a blush that seemed a kiss,  
Some swift, suppressed extreme of bliss  
In thy most fearful sigh embosomed.  
What oracle should prate of this?  
I know the secret thought that blossomed!

d) Sesh and Sesh - Mailer

Both stand and raise phallic wand high into Vortex ;  
" O, you are so wicked, you are in my SHA, you are on my field,  
you are on my estate, oh, you swim in my swamp.  
SESH AND SESH.  
Write on me, inscribe me, SESH AND SESH.  
You are my mud and my MAHER, my canal, my ooze,  
You are a devil of a man;  
Sweet KHERU, my swamp, my robber, my enemy.  
Oh, go deep into the rot, stick it deep, touch the dead,  
O KHAT, KHAT, KHAT.  
Put it in my quarry, put it in my tomb.  
Give it to my ancestors."

Circle doesn't slowly, carefully.

e) Paths and Destiny - Tolkein

" The road goes ever on and on  
Down from the door where it begun.  
Now far ahead the Road has gone,  
And I must follow if I can,  
Persuing it with weary feet,  
Until it joins some larger way,  
Where many paths and errands meet.  
And whither then? I cannot say."

" The breathless silences between your touches smoulder  
in the reflected firelight of your kiss.  
The fevered salt-stench of your body burns me  
Yet I've no will to flee.  
No wish for cooling, empty air to ease me.  
No need for antidotes against your sting.

*Sep.* \_\_\_\_\_ (name), Don't stop! Don't stop  
Lest I die sucking, shrieking at you  
From all the entrances and exits you have made."

Take back to Pentacle, lay on the BLUE scarf, include coin and heart, bind with the RED cord, wrap up lock away. Place at back of the altar.

8. A HINT FOR THE FUTURE AS A CONCLUSION

Achieve the Path † Crowley

" Perhaps I am a fool to think that here,  
Merely by rending Nature's hollow veil,  
I may attain the Solitary Sphere,  
Achieve the Path; or haply, if I fail,  
Gain the Elixir, or behold the Grail. - Take sip of wine.

See! As upsprings on the horizon there

Why, which is Higher? I am in despair.
