Spell 24

Spell for bringing magic to

Ordine Scatere Stellae

I AM ATUM-KHEPRI who came into being of himself upon the lap of his
mother NUT, who gave jewels to those who are in the Abyss &
hunting dogs to those who are in the abyss Tribunal. I have
collected this magic in every place where it was, from the
possession of anyone who possessed it, more speedily than a hound
more swiftly than a shadow. O you who bring the ferry boat of
RE, strengthen your rope in the North wind. Ferry upstream to
the Island of Iure beside the realm of the dead, collect this magic
from wherever it may be; from the possession of anyone who may
possess it, more speedily than a hound, more swiftly than a shadow.
Transform yourself into a heron, the mother who created you;
the gods are hushed, your mother has made you warm for the
gods. Now there is given to me this magic, to whomsoever it
may belong, more speedily than a hound, more swiftly than a
shadow.
