Top is the tibetan good luck symbol, below it two from the tree of life, Hod, symbolised by the hebrew letters and a god caduceus, and NETZAH, letters + vowels either side of the ☉ is ♀ and ♂ and below are the yoni (female) and lingam (male). The Talisman may also be used for love purposes, as it has the balancing aspects of ♂ + ♀. As it contains ♀ and ♂ in balance, it is most effective on wednesdays + fridays.
